

Laura Kinney was created to be a weapon, but she escaped that life with the help of the man she was cloned from, the man who became her mentor: Logan, known as The Wolverine. Tragically, the original Wolverine has fallen. Laura will live as his legacy and fight for her better future.

She is **THE ALL-NEW WOLVERINE.**

Previously...

Laura recently discovered that she had been cloned by Alchemax Genetics. The surviving three "sisters" wanted revenge against their torturers, and together Wolverine and the clones took AG down. Two clones were lost in the fight, leaving one, a preteen girl named Gabby, with an uncertain future.
