

WHEN WE GET IN THIS LAB, WHAT'S NEXT?

FIND THE RE-EVOLUTION SERUM. THEN WE RELEASE IT INTO THE BAY.

THAT SHOULD FIX THIS MESS. I THINK.

YOU WERE A SCIENTIST WHEN ALL THIS STARTED?

NO. I FLUNKED CHEMISTRY IN HIGH SCHOOL.

HOW YOU KNOW ALL THIS THEN?

BECAUSE THIS BIG MESS... IS MY DAD'S FAULT.

HE INVENTED DE-VOS.

HIM AND ABOUT A DOZEN OTHER SCIENTISTS...

MY SON, EVERYONE IN MY NEIGHBORHOOD... EVERYONE I EVER KNEW'S DEAD BEHIND THIS

THEY WERE TRYING TO SAVE THE WORLD.
