

"GODSPEED KILLED
MY SON."

...and I'm a reporter for the Central City Citizen.

Ever since I was a kid I've been obsessed with the truth. And after the Speed Force storm changed Central City, the truth is something we need now more than ever.

My nephew Wally was struck by T the same lightning as Mr. Murray's son. But he escaped Godspeed's rampage and became Kid Flash... He was lucky...but every day I still worry he might get hurt...

...or worse.

With a little poking around I find out that it wasn't just Kyle Murray's body that was stolen...

...it was all of Godspeed's victims.

The families are hurting and they're looking for answers.

They have no clue why this has happened...and it breaks my heart that I can't give them any answers.

But there is someone I know I can go to who I can trust to help...

...Barry Allen

When I first met Barry I thought his whole "nice guy" routine was an act. A cover for something he was hiding. But over time I saw that Barry is one of the most genuine and honest people I've ever known.

Barry is a CSI with the Central City PD. And...

...he's my boyfriend.
