

Patsy Walker, A.K.A.

HELLCAT!

That's me!

THE **PATSY WALKER**
TEMP AGENCY

Patsy Walker is many things: P.I., pseudo-celebrity, epic butt-kicker. Life may knock her down, but Patsy always lands on her feet, which is how she went from unemployed to opening a temp agency for super-powered folks!

...she's Hellcat, and she's back, baby!

Sure, she's been dealt some rough cards recently - like her old frenemy *Hedy Wolfe* republishing embarrassing romance comics about Patsy's teenage years. But hardest by far was when her BFF, *She-Hulk*, almost died, leaving Patsy reeling.

Thankfully, Patsy has made some amazing friends, and even reconciled with old ones, who have supported her through her ups and downs. Together, they've battled monsters, thieves, witches, and anxiety.

With their love and encouragement, Patsy's realized that she's more than just the world's okayest boss...

The End of All Things

Patsy? You up?

Mhm!

Are you decent?

Depends on whom you ask!

You're a scandal, Walker.

Takes one to know one. Is Tom awake yet?

Har har. You've got mail, pussycat.

Y'know, you're probably the only person alive who could call me that and live to tweet about it.

I've changed my mind. You die after all.

You made a topical joke involving modern technology! I might just faint!

You want some coffee?

I'm aware of your sins, you heathen.

Yes, please. Extra sugar.

I'm sorrrrrry! I like it--

SWEET MERCIFUL FURIOSA.
