"Truly happy
together."

*Here lies
Miranda Coler.
Dead and buried.*

*Wanted dead or
alive. Which am
I now, then?*

*I can count to around
ten before everything
drifts away under the
weight of it all.*

*Knock on death's
door so often now,
my knuckles are sore
from the effort.*

*With every trip, it
gets harder to tell
which side of that
door I'm on.*
