

This is
a worldwide
alert...

Standby
for important
information...

The
president is
dead...

The
prime minister
is dead...

Президент
мертв...

総理大臣はデッドである...

This is an extinction scale event...

Do NOT panic...

Over a year after first infection, the world's governments teeter on the brink...

No cure has yet been found...

And a global DROUGHT and resulting FAMINE has only increased the suffering of those still resisting the plague...

FORT BENNING, GEORGIA
JULY 18TH 01 A.Z.

By July 4th many had already begun calling it "BLACK SUMMER"...

Nnnnn

Can't fall asleep on "STARVERS," man. Not like regular Z's, always on their feet. These ones can lie dormant for days... WEEKS before poppin' up to nom-nom.

So when you put one down you gotta be PATIENT, make sure it IS down--

Whoa.

Is that a Snickers?

I saw it first!

I SAID something first!
