

Dear Iris,

I don't have much time left, so I'll try to make this quick.

I'M THE FASTEST Man Alive, but no matter how fast I run, my heartbeat always has a steady rhythm. Even when fighting Grodd.

But when I'm around you...

...it skips a beat.

That's because no matter how powerful the Speed Force is...how I feel about you is greater.

There was so much you wanted to know about my life as the Flash...

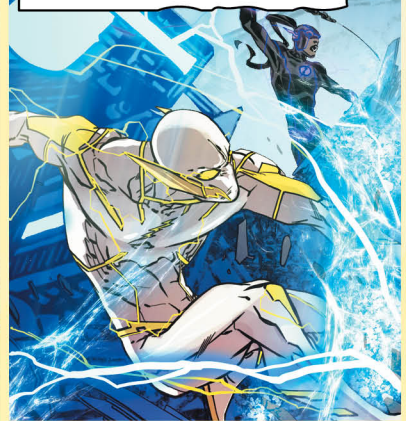

...so I'll start out where we left off...

...in CENTRAL CITY.

The most important part of the city for me--for the Flash--has always been the PEOPLE.

Meena, who I failed so many times.

Godspeed, who I often wonder if I would have been just like if I didn't have you in my life.

And then there's Wally...

I CAN'T FIND IRIS, BARRY!

KEEP
LOOKING,
WALLY!

You have another nephew
named Wally West. He's your
brother Rudy's son.

It's complicated, but he's a
better man...a better hero
than I could ever be.

WHERE
THE HELL DID
GRODD HIDE
HER?!

I'm sorry I didn't tell
you about him.

After this is all
over, I know you'll
find each other.

Trust him, Iris. He loves you and I
KNOW you'll love him. Knowing
that I won't be able to see you
two together hurts more
than anything.

YOUR CITY
IS LOST,
FLASH!

FURTHER
PROOF THAT YOU
ARE NOTHING.

EVEN
WITH YOUR
POWERS!

THOOM

I only wish I had introduced you to him earlier.

IRIS?!

ONLY THE WEAK RELY ON OTHERS TO PROTECT WHAT THEY LOVE!

WHAT? WHERE AM I?
