VOLCANIC ERUPTION, MAURITIUS.

GOOD GOD, BATMAN...

METEOROLOGICAL FLUCTUATIONS IN THE TRANSALPINE REGION AND THE PYRENEES...

...WE'VE GOT MULTIPLE, **SIMULTANEOUS** WEATHER CRISES AND NATURAL DISASTERS WORLDWIDE.

I'VE ALREADY DEPLOYED SUPERMAN TO THE MIDWEST, CYBORG TO SRI LANKA AND BOTH LANTERNS TO ROME.

WHAT THE HELL IS CAUSING THIS?

THE COINCIDENCE IS **UNNATURAL**, SO I PRESUME SOME ARTIFICIAL AND **DELIBERATE** TRIGGER. BUT THE SIMPLE ANSWER, FLASH, IS...

...I HAVE **NO IDEA**.

THE ANOMALIES ARE **MULTIPLYING**.

FLASH. ICE STORM IN THE ALPS. GO.

FLASH? WAIT--
