

PHILADELPHIA,
PENNSYLVANIA.

I DON'T
UNDERSTAND.

WHAT *IS*
THAT?

THAT'S MY
PATIENT, MR.
CONLEY.

PICTURE
OF HEALTH,
DR. SETIA,
RIGHT?

YOU MEAN THAT WAS
A HUMAN BEING?

NO, I MEAN
HE STILL IS.

SAY HELLO
TO THE BUG IN
ALL ITS GLORY.
MANKIND
EVOLVED.

THAT'S NOT--EVOLUTION IS A
GRINDING PROCESS. IT TAKES
THOUSANDS OF YEARS. EVOLUTION
DOESN'T MAKE LEAPS LIKE THIS.

WELL, NOW IT'S MAKING
UP FOR LOST TIME. ALL THE
CHANGES WE WERE *MEANT* TO
UNDERGO, AND THEN SOME.

LOOK AROUND,
DR. SETIA. THE WORLD
IS POISONED. SPECIES
DYING OFF. HUMANS
HAVE CHANGED THE
WEATHER.

NOW WE'VE PISSED OFF
2.5 MILLION YEARS OF
CHANGE, AND IT'S COMING
FOR US ALL AT ONCE.

I DON'T WANT--LET ME CALL SOMEONE. THE CDC. THE GOVERNMENT. SOMEONE HAS TO KNOW.

THEY ALREADY KNOW! THEY'RE INFECTED, TOO. YOU AND ME, WE'RE THE ONLY ONES LEFT BEHIND. IS THAT SOME KIND OF COINCIDENCE?

YOU DON'T WANT THIS, BUT YOU'LL NEED IT.

THEY'RE STILL PROGRESSING. ONE CHANGE LEAPFROGGING TO ANOTHER.

THE OTHERS LIKE CONLEY ARE COMING. SOON, I DID ALL THIS TO SHOW YOU WHAT LIES AHEAD.

SOME SACRIFICES ARE REQUIRED.

YOU OR HIM, DOC.

COUNT TO FIVE AND SHOOT.

ONE, TWO...

THREE...

FOUR, FIVE...

BRNNNGGGG

MY WIFE. MY SON. EVERYONE I EVER KNEW. THEY'RE GONE NOW.
