“POOL PARTY”

MOON KNIGHT IS AT WAR!

A rising criminal kingpin named **Achilles Fairchild** has flooded the streets of New York with a new, highly addictive narcotic called **Glitter!** With a small group of police on Fairchild's payroll, **Moon Knight**, **Tigra**, **8-Ball**, **Reese** and **Soldier** are the only things standing between him and full control of the city.

As tensions have risen between the two factions, Fairchild's most-trusted lieutenant, **Carver**, attacked and destroyed the **Midnight Mission**, a multidimensional being that served as Marc's **living headquarters**.

Enraged at the Mission's death, Moon Knight's vendetta against Fairchild has become personal, and the two fought hand-to-hand for control of the city.

But Fairchild bested Moon Knight with ease and, in the process, revealed his true origins as an **Asgardian!**

Fractured, beaten and with nowhere else to turn, what's left of Marc Spector and his Midnight Mission have few allies and even fewer options against this new overpowered, magically fueled foe...
