

# PREVIOUSLY:

After years of maintaining a secret identity to protect those he loves, Matt Murdock has come clean to the world: He is Daredevil. His heightened senses, including 360-degree radar sense, are now a matter of public record.

In order to protect his best friend Foggy Nelson from Daredevil's enemies, Matt very publicly faked Foggy's death. They then moved to San Francisco, where Matt opened a new law practice with his new girlfriend, Kirsten McDuffie.

With his identity out in the open, The Man Without Fear is constantly in the public eye. He's even landed an \$8-million book deal! Still though, Matt has been wary of his fame, worried that one of his enemies might attack those close to him. But when Kirsten finds an arch-foe of her own, Matt begins to realize having enemies may not be solely a Daredevil problem...

A full-page comic panel showing Daredevil in a bright red three-piece suit, black shirt, and tie. He is holding a silver cane over his right shoulder and has a confident, slightly smug expression. He is walking through a doorway into a room with other people in the background. A speech bubble above him says "DAREDEVIL FOR THE DEFENSE!".

DAREDEVIL  
FOR THE  
DEFENSE!

A circular inset showing a close-up of Kirsten. She has a distressed expression, with her hand covering her eyes. She is wearing a blue suit jacket over a light blue shirt. A speech bubble above her says "OH, GOOD LORD...".

OH,

I can

Kirsten.
