

Harley Quinn made the move from Gotham to her new home in Coney Island to start a brand new life. With this came an awakening, rediscovery and new responsibilities on such an overwhelming scale that she simply couldn't do it alone.

She resolved to enlist the help of a bunch of like-minded individuals that could pick up some of the slack for her.

HOLEE OVERLORDY! I GOTTA GET HELP.

When the selection was over, Harley found herself with a group of special people that were willing and able to follow orders and give her a hand, day to day, fighting crime and righting wrongs...all for a small fee.

It didn't go smoothly at first. There were five sisters from Staten Island, the Quintuplets. They were very talented, but they were only fourteen years old. They lied about their ages to join the gang, and when their momma found out, she kicked their butts back home. The gang went from 12 to 7 in a day, but that wasn't the problem.

The problem was that the gang actually made more work for Harley, but I'm getting ahead of myself here. Let me at least introduce you to the gang first...

YOU ARE NOW OFFICIALLY KNOWN AS THE **GANG A HARLEYS!**

### HARLEY QUEENS:

Meet Erica Zhang, the only girl out of seven children, her parents immigrated from China to Queens, New York. Erica didn't get along all that great with her parents, and four out of her five brothers drove her nuts, so she moved out at the age of 17. Seeing the ad for the Gang, she will tell you, changed her life. If it's for the better, well, that remains to be seen.

### HARLEM HARLEY:

Antonla Moore was a brilliant student looking to better her very inhibiting surroundings in Harlem. She's the youngest in her family and learned to defend herself as well as her principals at an early age. I love her because she's just the right reality slip the gang needs.

### BOLLY QUINN:

Ghona Choudhury came to us out of frustration, having to deal with the public while working for her parents and grandmother, who own a restaurant on Manhattan's Lower East Side. She has a real temper, but also a very spiritual side to her as well. She is looking to be part of something bigger than herself and we are glad to have her aboard.

### HARVEY QUINN:

The only male member of the gang is Harvey McPherson, born in Michigan and moved to Manhattan's West Side. Harvey had a rough life that started by being picked on in grade school, and over the years landed him in jail a few times. Harvey's motto is "Be who you want to be". Harvey also takes every opportunity to show off his body proudly. None of the ladies mind too much, so we let him do his thing.

### CARLI QUINN:

Real name, Carita Alvarez, a fighter from the Bronx who grew up with her own gang at home, being the oldest sister of four children. Her mom is a stay-at-home accountant, and her father is a construction worker. She is the personification of her parents. Good at math and able to use anything for a weapon.

### HANNQUINN:

Great-niece of Harley's semi-retired superhero buddy, Sy Borgman, Hannah Borgman was born in Connecticut. Like many suburban kids, she became bored of the suburban life, and moved to Williamsburg, Brooklyn. Hannah is trying her best to live up to her Uncle's legacy as a super-spy and hero to all.

### COACH:

AND THAT LEAVES ME, HOLLY HAMDEN, BLIND AT FOUR, AND LOST USE OF BOTH LEGS IN A HIT AND RUN ACCIDENT WHEN I WAS SIX. THE FLIPSIDE OF ALL THAT TRAGEDY IS THAT I HAVE ACQUIRED HEIGHTENED SENSES BECAUSE OF MY DISABILITY. YEAH, I KNOW, IT SOUNDS LIKE SOME LAME SUPERHERO POWER, BUT IT REALLY HELPS OUT NOW AND AGAIN.

MY JOB HERE IS TO OVERSEE THE BUSINESS END OF THE GANG OF HARLEYS. I TAKE IN AND WEED OUT THE ROBBERS, PAY THE BILLS, MAKE SURE THE GIRLS TRAIN AND GIVE THEM ADVICE, WHICH THEY NEED JUST ABOUT EVERY SINGLE DAY.

I LOVE THIS JOB AND THESE GUYS ARE MY FAMILY, FOR BETTER OR WORSE.

AND SPEAKING OF WORSE...

"WELL, THAT  
WOULD BE WHERE  
HARLEY FINDS  
HERSELF NOW."

IF I'M NOT  
OUTTA HERE IN  
FIVE SECONDS,  
SOMEBODY'S  
GONNA GET THEIR  
SPLEEN RIPPED  
OUT.

I MERN IT...  
SPLEENLESS!

AS IN NO  
SPLEEN.

ABOUT TA GET A  
SPLEENECTOMY.

ADIOS  
SPLEEN-OS,  
IF YOU WILL.

SPLEEN-  
FREE!

RA, YA  
GET THE  
IDEA.

"BUT AGRIN, I'M  
GETTING AHEAD OF  
MYSELF. I PROBABLY  
SHOULD START AT THE  
BEGINNING OF THIS  
WHOLE MESS..."

WELL, THERE WAS ONE TIME WHEN I WAS SLICING A CIPOLLINI ONION AT THE OKEECHOBEE MUSIC FEST--

STOP

SERIOUSLY, PAL, THERE'S ONLY THREE INSTANCES WHERE A MONOCLE IS ACCEPTABLE...

YOU'RE THE PENGUIN,

YOU'RE MR. MONOPOLY,

OR YOU'RE MR. PEANUT

COLONEL MUSTARD WOULD ALSO HAVE BEEN ACCEPTABLE.
