If you are reading this then there's still hope.

I know this must all be very ~~confusing~~ confusing for you.

I'm going to try and explain everything the best I can.

Please excuse me if my writing is bad. I taught myself to do it.

We all did...

...if everything goes to plan, you'll never read this and I'll be able to introduce all of us in person.

But then, I haven't been known to have the best of luck.

So, my crew...

AH,
@#*%!

Geordi La Forge.
Like the rest of
us, he was born
in the Romulan
prisons.

WORF, I'M
HEARING THINGS THAT
SOUND BAD!

He's smart as
hell, and more
importantly, the
camps didn't
break him like it
did others.

IT WOULD
APPEAR THAT WE
HAVE COMPANY!

ALREADY?
HOW MANY?

THE SAND...
I-I CANNOT
SEE!

He's funny.

HEH, YOU DON'T SAY...

That might not seem that important. But trust me, it is.

And yes, he's also blind. Always has been. But he's wired his eyes up to run through that robot thing he carries around.

AH! GEORDI, PLEASE KEEP MY EYES ON THE-

SORRY, BUDDY.

Found it in the camps when he was a kid and repaired it. He's good with stuff like that.

THREE ROMULAN SCORPIONS. CLOSING IN FAST.

I don't know what the word is, but he just makes things work.

I CAN SEE THAT, THANK YOU.

Worf. He was prison security detail for a long time, forced to guard his own people. Forced to hurt them.

WELL?! I'M PRETTY OPEN TO IDEAS HERE...

These days Worf is a pacifist. But he fights in his own way.

He kept his eyes open during his time as a guard. And, as much as I'd appreciate him picking up a rifle once in a while...

BE CALM. STAY THE COURSE, MY FRIEND. HAVE FAITH.

NO DISRESPECT, BUT... FAITH IN WHAT?

SECRET INTEL, THE INADEQUACIES OF ROMULAN SHIPYARD SECURITY, AND, OF COURSE...

...The future's gonna need men who believe in miracles.

...IN HER.

BOOM

Before I tell you this next part... a word of caution. She will never tell you this, and if I were you, I wouldn't bring it up.

BOOM

You can trust her, but well, she can be dangerous.

When she was in the camps, the Romulans used her powers (You'll find out) to torture prisoners for information about...well...about you.

She protested. And she was punished for it. More every time.

Her name is Deanna Troi. She's my second in command.

My partner.

SWAAAAH

And the bravest person I have ever met.

WOULD YOU LOOK AT THAT...

FASCINATING. I WAS NOT AWARE TROI COULD PILOT A VESSEL OF THAT SIZE.

OF ANY SIZE...

HYA!

SHE CAN'T.
