Doreen Green isn't just a second-year computer science student: she secretly also has all the powers of both squirrel and girl! She uses her amazing abilities to fight crime and be as awesome as possible. You know her as...The Unbeatable Squirrel Girl! Find out what she's been up to, with...

Squirrel Girl in a nutshell

Squirrel Girl @unbeatable5g

Hi, I'm Squirrel Girl! I first came to space on the trail of the kidnapers of my roommate, and for reasons that don't need exploring at this juncture, I've remained, attached as a liaison with the Silver Surfer!

Nancy W. @sewwiththeflo

@unbeatable5g NICE.

Squirrel Girl @unbeatable5g

@sewwiththeflo RIGHT? This way, all my new followers will know my current status quo!

Nancy W. @sewwiththeflo

@unbeatable5g Although I will point out that this really just announces to criminals that you're not on Earth right now, so if they wanted to do a crime...now would be ideal.

Squirrel Girl @unbeatable5g

@sewwiththeflo Oh I'm certain no criminal would be stupid enough to do that!

Squirrel Girl @unbeatable5g

@sewwiththeflo Especially given how I met, befriended, AND embarked on a cosmic road trip with BOTH Drax and Loki in an afternoon...

Squirrel Girl @unbeatable5g

@sewwiththeflo ...saved an entire planet of SPACE SQUIRRELS from being scammed by fake body-paint-wearing Silver Surfers...

Squirrel Girl @unbeatable5g

@sewwiththeflo ...actually fought the REAL Silver Surfer EARLIER THIS VERY DAY...

Squirrel Girl @unbeatable5g

@sewwiththeflo ...survived an attack from angry space aliens who thought the REAL Silver Surfer was the one who scammed THEM...

Squirrel Girl @unbeatable5g

@sewwiththeflo ...and managed to get a data signal here on the OTHER SIDE OF THE GALAXY...

Squirrel Girl @unbeatable5g

@sewwiththeflo ...let's just say that given ALL THAT, I think the smart criminals know not to do any crimes right now!!

Nancy W. @sewwiththeflo

@unbeatable5g Squirrel Girl, this was a very inspiring set of accomplishments that I'm sure would make anyone think twice about stealing diamonds...

Squirrel Girl @unbeatable5g

@sewwiththeflo thank you, thank you

Nancy W. @sewwiththeflo

@unbeatable5g ...if only you'd posted it publicly, instead of in a series of replies to me that only people who follow us both can see.

Squirrel Girl @unbeatable5g

@sewwiththeflo AW MAN!! well no way am i copying and pasting all that on my phone, it'll take forever

Squirrel Girl @unbeatable5g

@sewwiththeflo one sec I have the perfect solution

Squirrel Girl @unbeatable5g

Hi, criminals! Follow unrelated civilian Nancy "@sewwiththeflo" Whitehead so you can see our conversations! I think you'll find them REAL ELUCIDATING!

Squirrel Girl @unbeatable5g

@sewwiththeflo done

Nancy W. @sewwiththeflo

@unbeatable5g Great! A bunch of new LITERAL CRIMINALS following me. I just love to be #online!!!

Squirrel Girl @unbeatable5g

@sewwiththeflo anyway we should probably get back to the space battle where space aliens fired space missiles at us!! P.S.: shoutout to all our criminal mutuals

When we left Squirrel Girl, she was 30 seconds away from time unfreezing and everyone getting blown up by missiles!

When I was a kid I was worried that I might one day develop the mutant ability to stop time but *not* the ability to start it up again, and then me and everyone else would be Frozen in amber Forever! I finally decided the only thing to do was never try to stop time. *And I never have. You're welcome.*

Cut for space is a bit where Nancy and Doreen explain to the Silver Surfer how that simile doesn't even work, because of emulators that allow you to run programs that were designed for certain hardware and instruction sets on other hardware and instruction sets, during which the Silver Surfer nods and smiles very politely.

Compatriots, our missiles have been deflected back into empty space. But this is a trick the Surfer will not succeed with twice. All in favor of firing again, with static time resistors, and wiping the Surfer from the sky?

Aye!

THE SILVER SURFER MUST DIE!!

Kill the Surfer!

Kill the Surfer!

Yeah! Kill the Surfer!

Kill the--

oh boy

Compatriots from the 76 worlds! I come to you with the Silver Surfer!

THE SURFER!

The source of our troubles!

Everyone: Kill him! Just like in our chants!

No! My Friends, listen to me! We have been had. The Surfer didn't hurt us--random grifters in silver body paint did!

Our entire mission of revenge has been a mistake.

THEN...I HAVE PUT ASIDE MY HATRED OF THE GLOOMGRIANS FOR NO REASON??

I should've known this was a mistake when I learned the Phaznozz people were involved!

Everyone: Kill everyone but me!!

SMACK

KAPOW

ARRGH!

BZZZORT

You see? It is precisely as I feared.

The Surfer cannot change our hearts...

...and without cosmic-tier empathy and understanding to solve these issues, we are lost.

Sootori...

...why didn't you just say so?

Meanwhile, on Planet Chitt-crrt, where Loki and Drax are guarding the prisoners...

Drax, it would be most excellent if you'd let us go. Bro to bro, bro. You have to let us go.

I do not have to let you go! Hah!

The only thing I have to do is breathe and eat, and then **only** if I want to stay alive!

Okay--Loki, dude, you know what'd be a great prank? If you let us go before the Silver Surfer punished us.

It's like-- I'm literally the god of mischief and lies, and even I can't stand how scummy you are.

Have some self-respect, man.

Yeah? Well joke's on you, because these stupid conversations were just an **excellent** distraction for you chumps while my bros all snuck away, so--

Chhttt!

Oh, **dudes!** Come on!

Sorry, man! These Furry dudes have most heinous teeth.

They chomped me in places I didn't know I had, bro!

I've had better times!

Loki! That was the very first time we touched hands without you sneaking a buzzer into your palm to shock me!

Yeah, well.

Gotta mix it up sometimes or you get predictable.

As the old saying goes, when all you have is the ability to summon hand buzzers on demand, all your problems start to look like large, open, and invitingly unbuzzed hands.
