

SKRULL THRONEWORLD.  
BEFORE.

SHAK

Papa!

Mother...  
Mother, I'm  
afraid.

Throneworld  
is dying...

Nothing  
dies today,  
Klrr.

"Throneworld was never meant to be just this one planet..."

"...it was meant to be every planet."

"That is our dream."

"That is our destiny."

"Fly, my child..."

"Dad?"

"...and make the Skrull dream..."

"...a reality..."

Dad,  
come  
on...

STAMFORD, CONNECTICUT.  
EARTH. NOW.

...I can't be  
more than thirty  
or forty minutes  
late for the  
party.

Yes...of  
course.

Come, we  
should double-  
check your  
prep.

You remember how this works, right, Madison?

Of course.

It's a one-time-use pulse. You'll only have ten minutes to use your powers.

And once those ten minutes are up, I gotta revert back or stay in the changed form.

But I won't need it. Hannah's parents are out of town. Once the party is "raging," I'll be able to get to their safe easily.

Take it anyway. Just in case.

Now, Alice, after I drop off Madison, I'm meeting your mother for date night. What is your plan--

Ah, you're studying your target. Good. Good. What do you see in all those photos?
