**Medicine, Genes
and Cells**
Doctor Agrawal

TWELVE WEEKS, HUH?
PROBABLY CAN'T DIE
OF BOREDOM THAT
FAST.

MORE LIKELY ANUBIS
WILL END UP DROWNING
US ALL. WATER'S
ALREADY PRETTY HIGH
OUTSIDE—MAYBE
THEY'LL EVACUATE
THE SCHOOL—IT'S
ONLY ZONE 4.

How to learn to
be Fate?

- Research myths
- Ask Nabu
- Find magician tutor
- Pray

icine, Genes
and Cells

OR I COULD GET KILLED
PLAYING FATE...IF I CAN'T
FIND SOMEONE WHO CAN
TEACH ME SOMETHING
ABOUT HOW THE HELMET'S
POWERS ACTUALLY WORK.
MIND ADDING THAT TO
THE SYLLABUS,
DOCTOR AGRAWAL?

...BEGIN OUR
JOURNEY INTO
THE MYSTERIES
OF LIVING
BEINGS...

WHAT'S THAT? YOU
DON'T KNOW **SQUAT**?
ME TOO, LADY.

SPSS? K--
HEADS UP--SHE'S
LOOKING AT
YOU!

EARTH
TO K!

HUNH?

HAHEM!
MISTER NASSOUR,
IS IT?

I ACCEPT LAPTOPS IN
THE LECTURE HALL, BUT CAN YOU
AT LEAST PRETEND TO BE PAYING
ATTENTION TO ME RATHER THAN
YOUR VIDEO GAME? CONVINCING
OUR PATIENTS THAT WE LISTEN
TO EVERY WORD IS A USEFUL
MEDICAL SKILL...

YES,
MA'AM, DOCTOR
AGRAWAL. I WILL
DO BETTER.

BEING A DOCTOR
IS PART SCIENCE,
PART THEATER,
AND A HINT OF
MAGICIANRY.

WHEW.

TOO MUCH...
IT'S ALL TOO
MUCH...HOW ARE
WE SUPPOSED
TO...

SHUSH,
K.

YOU'RE
SMART ENOUGH
TO GET IN HERE,
YOU'RE SMART
ENOUGH TO DO
WELL.

YOU'RE
A GREAT
CHEERLEADER,
SHAYA, BUT
YOU DON'T
UNDERSTAND.

I HAVE
RESPONSIBILITIES--

YOUR DAD'S INJURIES,
YOUR MOM MAY HAVE
TO SUPPORT THE
FAMILY, OH YEAH, AND
THE CAT DIED, YOU
TOLD ME...

WE ALL HAVE
TO DO THREE
IMPOSSIBLE THINGS
BEFORE BREAKFAST,
K...MAYBE YOU'LL
HAVE TO DO
FOUR.

OH NO...

THE
FLOODING--

SplOOSH!

MEANS *THIS*
GIRL HAS TO GET
BACK TO THE DORM
FOR A DRY FASHION
STATEMENT.
BYE-BYE.

SHAYA!

YOU DON'T
UNDERSTAND.
