HAVE YOU FIGURED OUT WHAT THIS THING IS YET?

ARGHH!

PARASITE APPEARS TO BE A HUMAN INFECTED WITH SOME TYPE OF ALIEN VIRUS.

IT CAN ABSORB MASSIVE AMOUNTS OF ENERGY, USING THAT ENERGY TO INCREASE ITS STRENGTH, AND EVEN REPLICATING SPECIFIC POWERS IT HAPPENS TO ABSORB.

FASCINATING.

IS THERE A WAY WE CAN FIGURE OUT HOW IT'S ABLE TO DO THAT? APPLY IT TO BODY ARMOR, PERHAPS?

ARGHH!

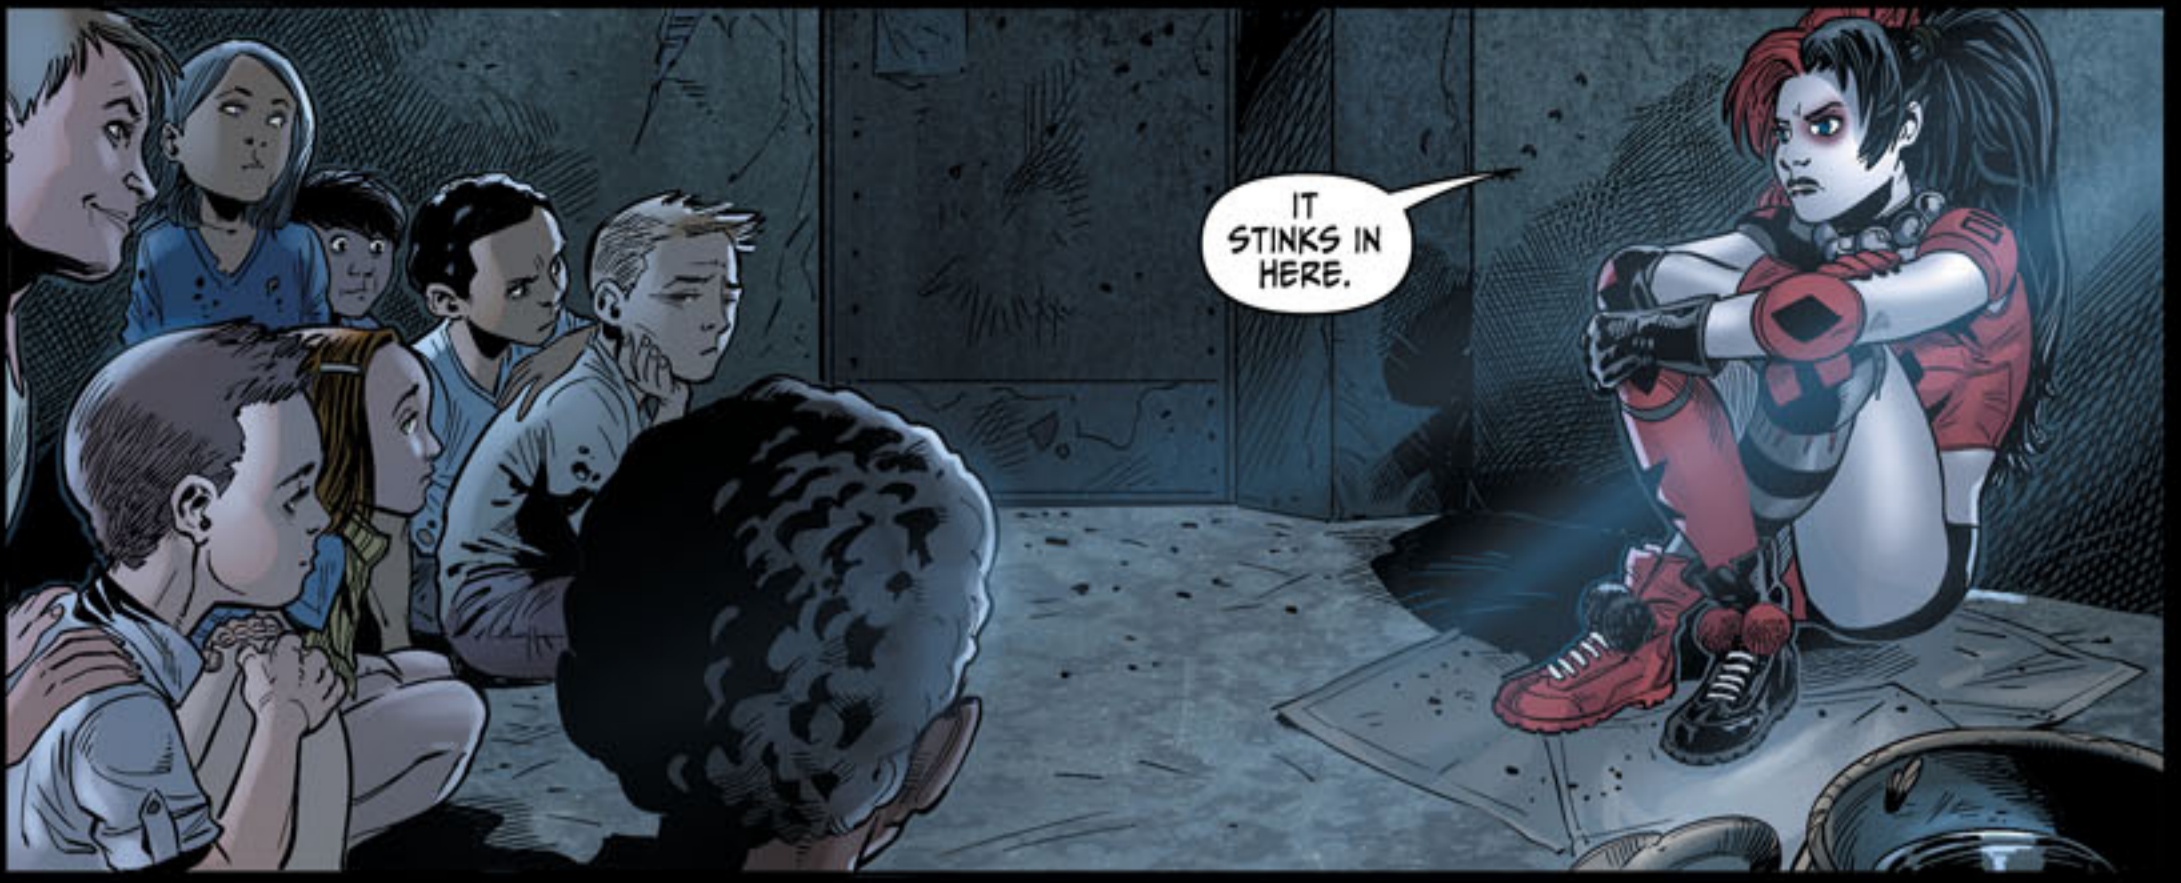

WE'RE WORKING ON IT.

AND THE CLOWN GIRL?

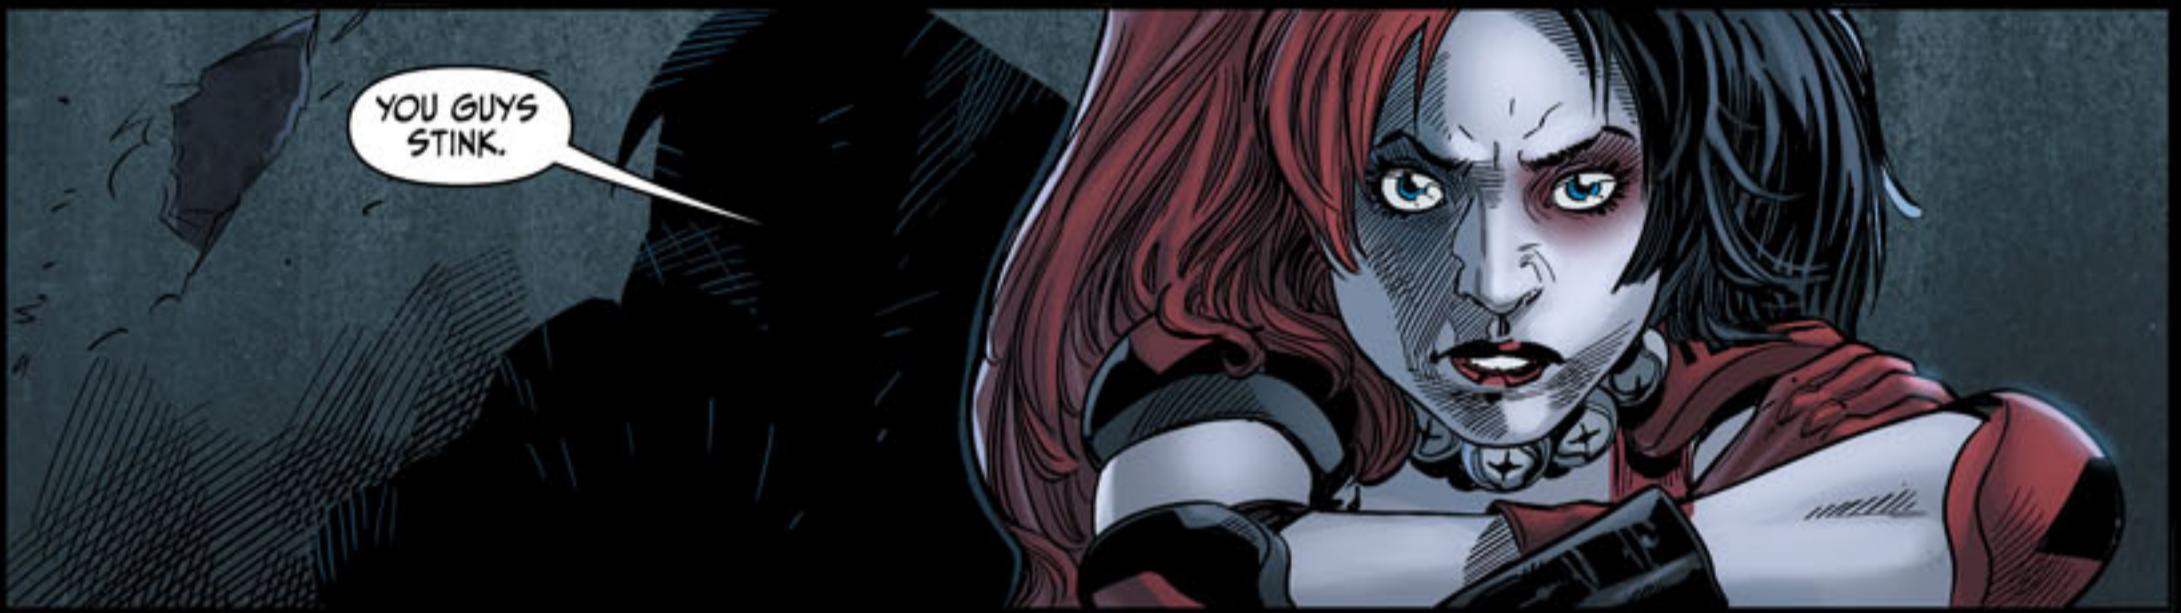

HARLEY QUINN IS USELESS.

AND POSSIBLY MENTALLY DEFECTIVE. I FOUND THE PERFECT PLACE TO KEEP HER.

IT STINKS IN HERE.

YOU GUYS STINK.

YOU SMELL LIKE A BUNCH OF DEAD FARTS.

IT'S NOT A COMPLIMENT. FARTS SMELL AWFUL.

YOU KNOW? FARTS?

MAYBE THIS WILL HELP...
