

"ARE YOU WITH ME?"

"COME ON, WAKE UP!"

COME ON, DANNY...

WAKE UP.

WHAT HAPPENED? WHAT IS THIS?

YOU RAN OUT OF JUICE SHORTLY AFTER WE TOOK OFF.

THIS SUIT HERE IS A LOT LIKE YOUR FORMER CASING. NEARLY LIMITLESS ENERGY SUPPLY, HARDWARE CONNECTIVITY, DATA UPLINK, EVERYTHING YOU NEED TO KEEP GOING.

AND YOU-- YOU'RE GOING TO KEEP GOING AS WELL, CORRECT? WHATEVER CAME THROUGH THE ANOMALY, I THINK IT PUTS US BEYOND THE POINT OF WORRYING ABOUT THE MONSTER.

THEY'RE COMING FOR EARTH, SASHA. YOU DON'T NEED TO STAY HERE.

BUT THEN I OPEN MY EYES AND REALIZE THAT WHAT I SEE...IT'S ALL JUST A DREAM. MY LIFE PASSED ME BY WHILE I WASN'T LOOKING, BECAUSE THESE MOMENTS, THEY AREN'T MEMORIES.

THEY'RE ALL THE THINGS I MISSED.

MAYBE I DON'T NEED TO KILL THE MONSTER, THERE'S NO WAY TO KNOW. BUT THAT'S NOT WHY I'M STAYING.

I'M STAYING BECAUSE I HAVE NOTHING ON EARTH TO RETURN TO.

I HATE TO INTERRUPT, BUT...

...ARE WE READY TO GO? THE FASTER WE GET OFF THIS PLANET, THE BETTER.

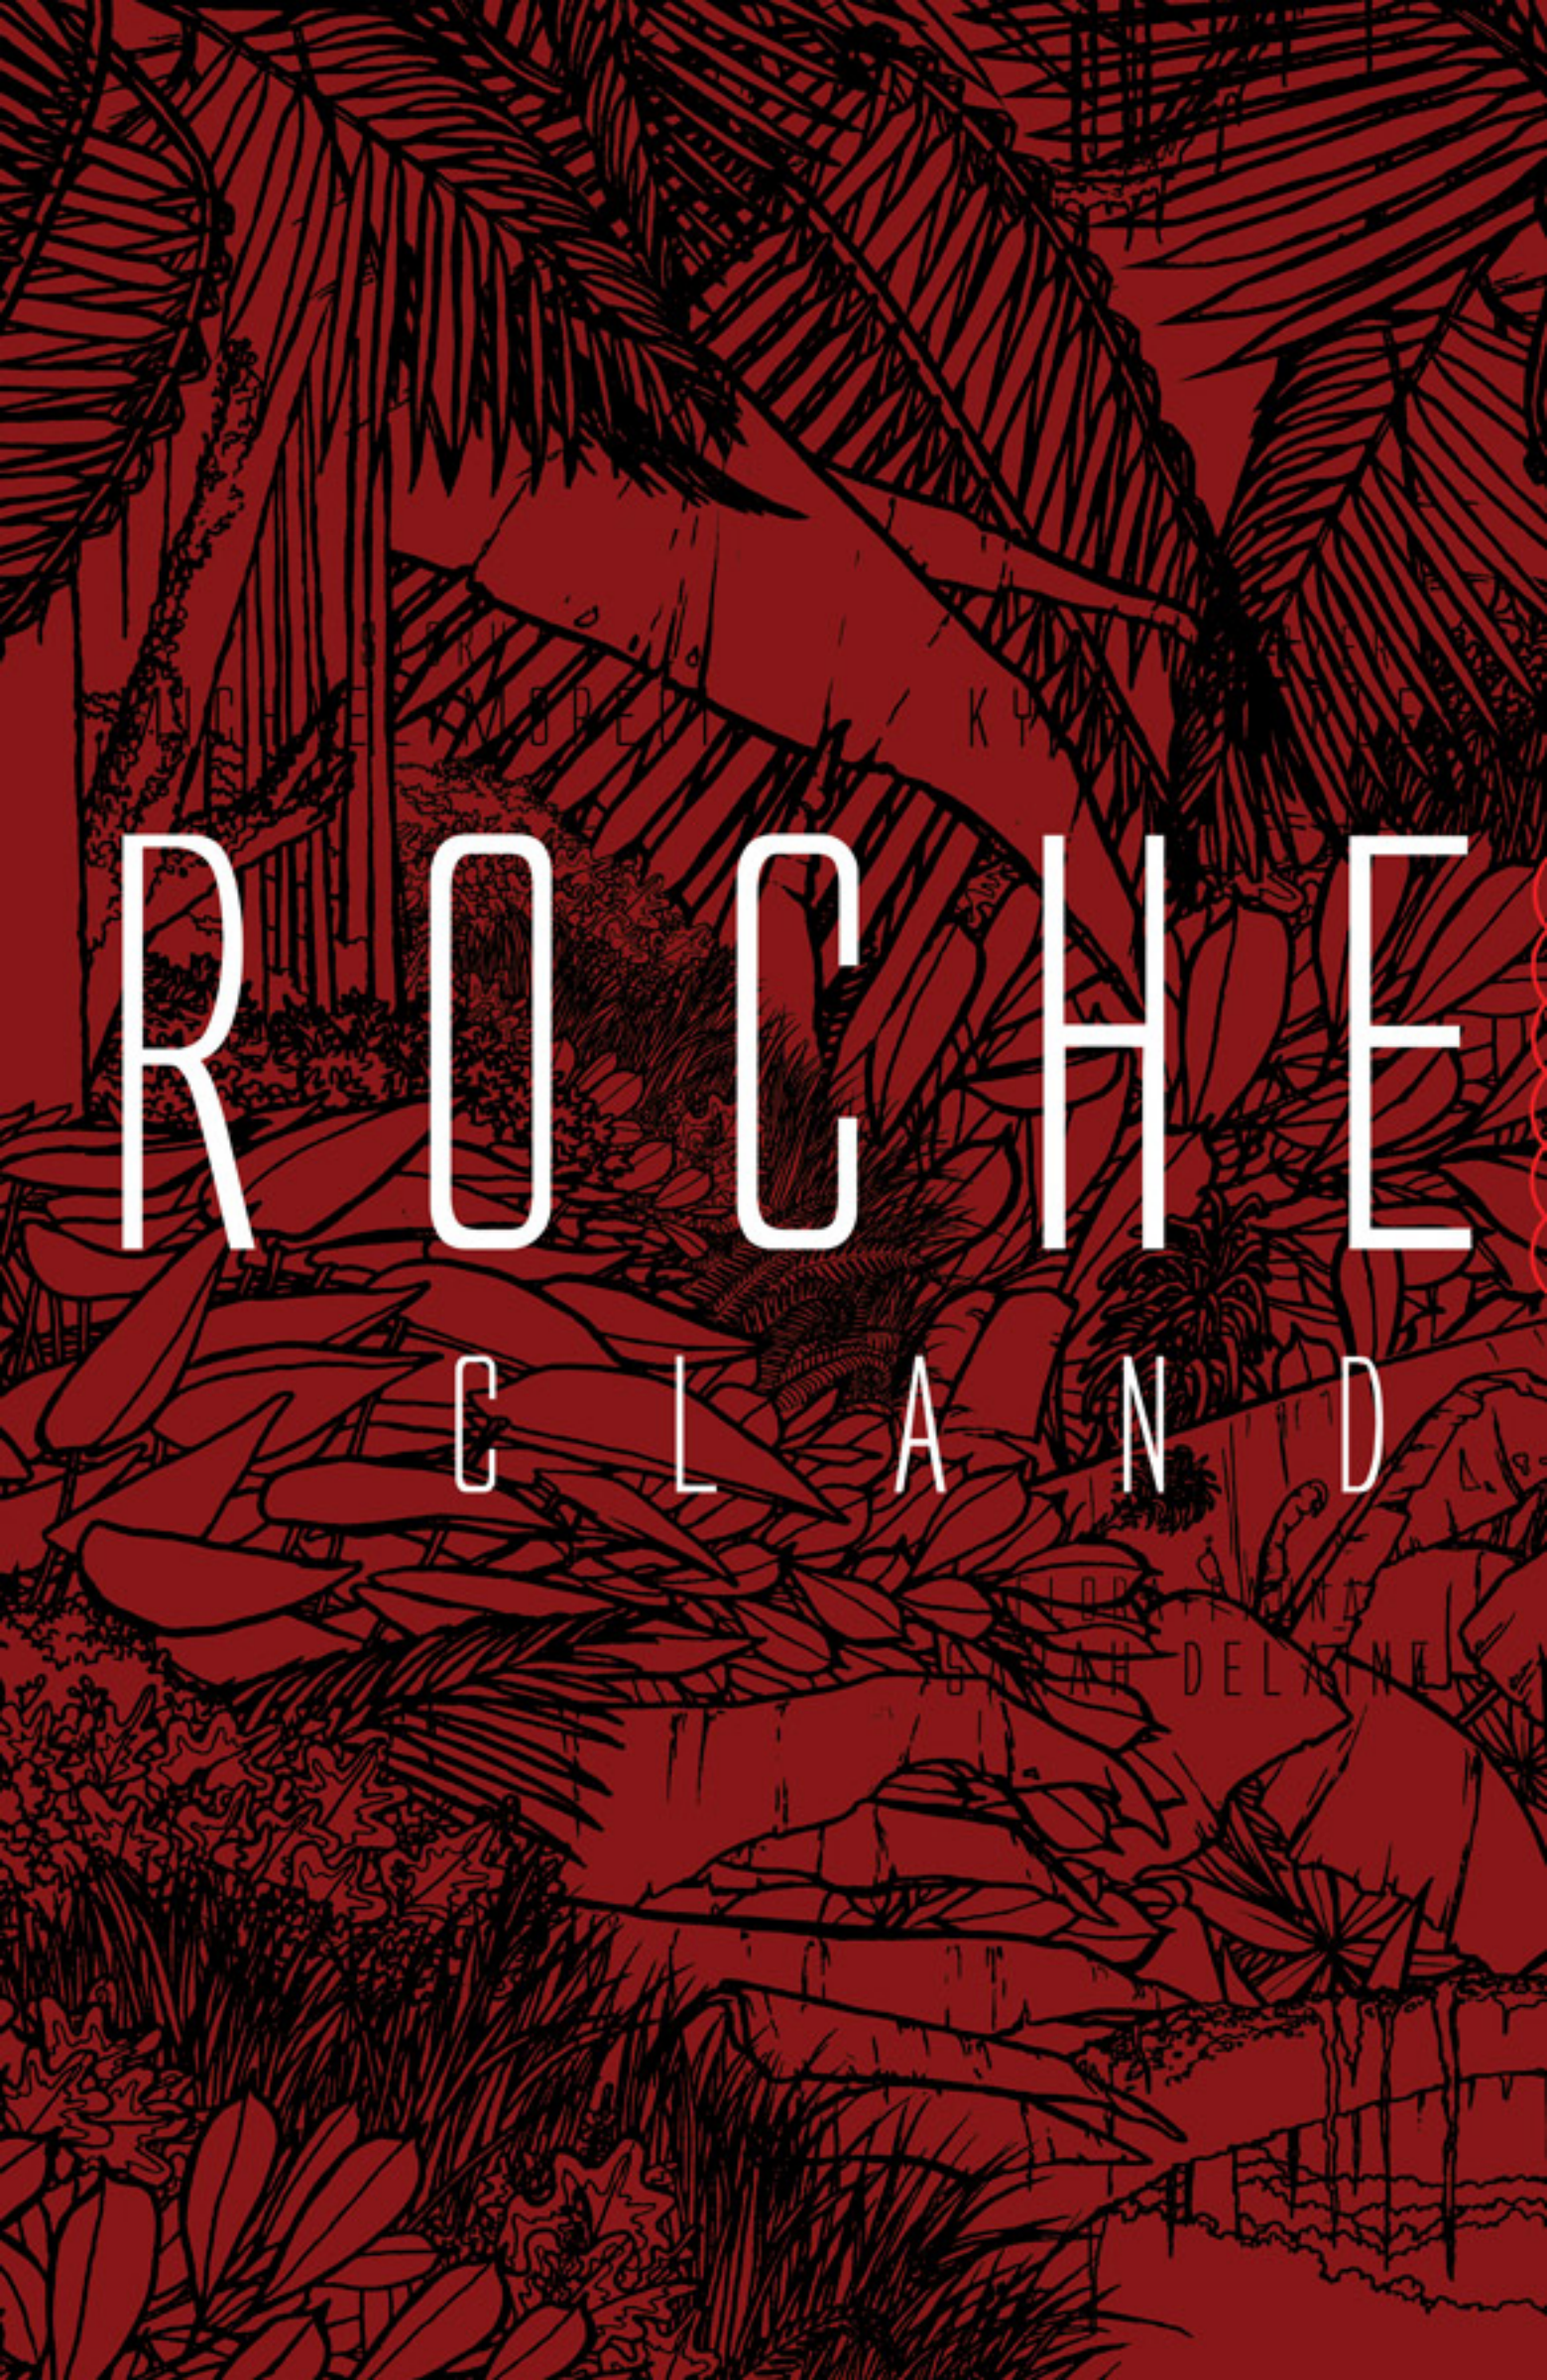

DANNY'S BACK WITH US, FULLY OPERATIONAL--THE SUIT WILL KEEP HIM GOING FOR A LONG, LONG TIME.

BUT THERE'S ONE THING, ANOTHER REASON WE NEEDED TO COME BACK HERE...

...YOU'RE DROPPING ME OFF.

I'M NOT COMING BACK WITH YOU.

ARE YOU OUT OF YOUR MIND?!

NO, I'M NOT. I'M SEEING THINGS CLEARLY FOR THE FIRST TIME IN YEARS.

SASHA, LISTEN TO ME: YOU ARE TALKING CRAZY RIGHT NOW. YOU'RE JUST LIKE THE OTHERS, ONLY YOU DON'T REALIZE IT. LET'S GET OUT OF HERE, GET BACK ON OUR SHIP AND--

NO, ELBUS. NO.

I'M NOT GOING ANYWHERE. YOU ARE.
