X-MEN '92

After conducting a sinister “therapy session” within the Mind Field, BSP Director Cassandra Nova has finally revealed the true purpose behind her master plan: the complete takeover of Westchester, beginning with the assassination of Baron Kelly via the towering, monstrous Ten-Sentinel before she “saves the day” with her team.

As Storm rallies X-Force and the Rej-X, Nova descends on the X-Museum with a brainwashed Wolverine, Gambit, and Rogue—the New X-Men!
