Nearly there...

Nearly where?
What if it's a
weapon? What if it's
a bomb? Why are
you doing this?

I'm doing this
because I want to,
Becky. I want to see
what it is and I'm tired
of being told I'm not
allowed to know.

well, what
do you hope
it is?

It doesn't
matter what it is.
All that matters
is finding
out.

you're not making any sense.

When I found this thing, I *knew* it was everything I'd been hoping for.

"It was more of a laugh hanging around with Russ and Hildy than any real career choice. I didn't think we'd ever find anything, but I still *wanted* to. Find a little window to see past this planet, to get a look into the truth of the universe. Whatever that meant. Whatever it *means*.

"I just never thought that it would actually happen. so when it asked me to wait, I did. It asked me to hide it, and I did. I was so ready, Becky. Every day I waited, I was *ready*."

But no one ever showed.
I'm done waiting.

You should understand as much as anyone, Becky, what it means to want something that no one will let you h--

Ah!

The hell was...

Anyways, once you've wasted your own life maybe you'll understand.

so why steal the corpse? And the transceiver? And why did you tackle that alien a decade back? Did you *mean* to blow up the landing craft?

TEN YEARS AGO
(GIVE OR TAKE)

Oh god
oh god
oh god

shuff: what are
you shuff: what
are you thinking,
Hildegard?

malcolm...
I need
to go
back.

please...

I need
help.

s-something's
wrong.

W-who are you?

He lied to us.

He promised we'd...change things. That the D/H...that we'd protect the world f-from...oh god, I don't know anymore. we're just experiments.

No oversight, no f-field testing... just sh-shoddy craftsmanship, get it?

It was all just..

...Lies.

I didn't mean to wreck that craft and...I screwed it all up...

B-but D/H...s-she's waiting for me. For my report. If I can't even finish one lousy m-mission, what's the point? what's the damned point?

I don't under-- Let's get out of these woods. we can call you an ambulance--

NO.

Hnnnffff--!

I n-need to report in.

you're going to help.
