"Citizens of London, Britain, the world faces one of the most challenging times in history..."

You have it nailed, Jim. You'll kill him out there.

We are, we are... [redacted]

We are [redacted]... unless you get it together.

I'm a doctor, not a politician.

Right now, Dominic, we need you to be both.

[redacted] Chatterblam's going crazy--crowds are swarming outside City Hall!

"I don't have a good feeling about this."
