

SUSPECT OBSERVATION • DEPT OF COUNTER-TERRORISM • SURNOW € 5TH • LEVEL 1

Klem,
for god's
sake!

Get him
out of
here!

Right now,
my guys are going
through your home, your
office, your car,
your phone, your
computers.

No matter
how well you think
you've hidden your secrets,
they'll find them. By the
time I'm done, you'll be
an open book.

Now,
is there
anything you
want to
say?

I don't
have a
car.

OK, answer
me this: why is the
son of an FGU cop, a man
who's risen to become
Deputy Mayor with a
spotless record, in
league with the
FLF?

You
know, it's really
hard to take you
seriously with that
mustache.

Have you
considered
maybe a
goatee?

You wouldn't believe how often this is about parents. And yours, well... your dad walked out, took your brother to Mars, left you here with your mom.

The ultimate authority figure, and a woman you resented so much, you wouldn't even take her name after the divorce.

Really, the only question is whether you got into politics to advance the FLF cause... or if they came calling once you got a sniff of power.

I think we both know who has the power here, Agent Gardner.

And what they say about it corrupting.

He's pretty cool. You train that into him?

I wish. I'd have punched Gardner in his smug bastard face by now.

Well, maybe somebody else --

What the hell is Leo doing in there?!
