

Patsy Walker, A.K.A.

HELLCAT!

That's me!

THE **PATSY WALKER**
TEMP AGENCY

Since losing her gig as a private investigator, Patsy's been trying to start a temp agency for super-powered people who aren't interested in the hero business.

Did they want to fight? Talk things over like adults? Well, Hedy's convinced the exes that Patsy has a master plan to ruin their lives, so...Daimon banished Patsy to another dimension. Typical!

But Patsy's plans kept getting interrupted by her high school frenemy *Hedy Wolfe*, who got the rights to publish a series of embarrassing comics starring teenage Patsy (awkward!).

Luckily, Patsy has great friends to cheer her up, including her new assistant, *Jubilee*. Jubes thought karaoke might lift Patsy's spirits, and it did! That is, until her exes, *Daimon Hellstrom* and *Buzz Baxter*, barged in!

Patsy called her bestie/lawyer *She-Hulk* to help--and they won the case! But the excitement was short-lived--She-Hulk was injured in a super-battle! Now she's in a coma and Patsy's heartbroken.

I've got to be dreaming. This doesn't feel--

OUCH!

Real?

TSSSS

Wait. This is him, isn't it? Hellstrom? He sent me here!

You got yourself into this mess. From what I hear.

Oh, no. Uh-uh. This was not me. Hedy lied to him. You have to believe me, Jen!

Such a convenient excuse, isn't she? Sweet Patsy Walker never does anything wrong.

She's just so good.
