Squirrel Girl @unbeatablesg

These are the bank robbers from the first time Squirrel Girl saved a bank! They're back! And they're still robbing banks! Wow, I'd really hoped they'd have worked towards positive change in their own lives but hah hah hah guess not!

the unbeatable **Squirrel Girl**

EVEN TODAY, WHICH WAS TO BE THE TRIUMPH OF WEEKS OF PLANNING, YOU FIND IN YOUR HARVEST ONLY BITTER DEFEAT

THIS SHOULD GIVE YOU A VERY DIM VIEW OF BANK ROBBERY AS A VIABLE LIFE CHOICE

You're-- you're not Squirrel Girl!!!

aw geez Larry you just *knew* today was gonna be stressful you *KNEW* this

Starring:

Squirrel Girl

- Powers of squirrel
- Powers of girl

Nancy Whitehead

- Powers of girl
- Powers of being really competent at computers/life

Maureen Green

- Powers of mom
- Powers of always liking all Doreen's updates on social media no matter what

Brain Drain

- Powers of being a brain in a jar attached to an awesome metal robot body
- That's actually super powerful, good work, Brain Drain

BAD GUYS WE HAVEN'T MET YET

- You might say that their identities are an...*enigmo??*
- That's not a typo: it's more like a really lazy pun
- This'll all make sense soon, I promise

"...plus rad powers (cool robot body, sweet visible brain, unnerving all-seeing gaze)..."

"...a secret identity (mild-mannered CS student 'Brian Drayne')..."

Larry was the bank robber way back in our First volume's #3! Fun Larry Fact: his interests include both getting money for free and recidivism. Not a good look on you, Larry!

So...since Brain Drain's on the case...

And since there are *literally* hundreds of other super heroes in NYC doing the exact same thing...

Tippy, Nancy, I know, it's just--with Chipmunk Hunk and Koi Boi using *their* week off to visit Barcelona and the ruins of the underwater kingdom of New Atlantis, respectively, I worry!

Dude, *SO* many other heroes live here! Iron Man! Captain America! Two or three of the Spider-people, probably!

Yeah! They got this.

Oh my *gosh*, you guys. You've made your point. *Fine.*

I hereby acknowledge that there are *other super heroes* willing to keep everyone safe, and therefore, *yes*, we can take my mom up on her offer to have us come visit for a girls-only weekend.

Let's go to Canada, you guys.

Hooray!!

Nice.

So, uh--we're taking your New Avengers teleporter, right?

Oh we are *SO* taking the teleporter.

I've discovered the odds of a TSA agent finding a tail stuffed in your pants and saying "That's wonderful, I wish I had one too, please enjoy your flight for I have no further questions" are approximately *negative one billion percent??*

TSA agents freak out even if you wear shoes when you're not supposed to! They are clearly not yet woke enough for tails.
