

Book V, Part III

THE LAST FLIGHT OF THE HARBINGER

It's a time of renewed hope for the Rebel Alliance as heroic rebel soldiers strive to undermine Imperial forces throughout the galaxy.

The Alliance puts its heroes, pilot Luke Skywalker, Princess Leia and smuggler turned soldier Han Solo, at the helm of a major mission to rescue an ally planet. The first step: capture a massive Star Destroyer—a ship with a crew of a thousand and the might of the Empire behind it.

Through a series of strategic bombings and a miraculous flight from Skywalker, the trio forces the evacuation of the Destroyer. Ensnared in enemy disguise, the skeleton crew of rebels plan their next steps....
