HOLISTIC DETECTIVE AGENCY

## THE SALMON OF DOUBT

DAVID • KYRIAZIS

# PREVIOUSLY

ON DIRK GENTLY'S HOLISTIC DETECTIVE AGENCY

I wanted to use Reg's time machine to investigate my childhood...

BECAUSE THAT'S WHERE THE CONTROLS FOR THE TIME MACHINE ARE NOW. I REWIRED IT INTO THE PLUMBING. I CONTROL IT FROM THE SINK. MAKES IT TERRIBLY CONVENIENT IF I FORGET TO BRUSH MY TEETH AND NEED TO POP BACK TO THE NIGHT BEFORE TO DO IT.

WHOA

SVLAD... BUT... THAT'S WHAT...  
WAIT.

...but Sally was transported to an alternative timeline by a mysterious supercomputer...

OH, TODD. IT'S SO SCARY. I NEVER REALIZED. I FEEL AWFUL, IT'S WORSE THAN I COULD EVER HAVE IMAGINED.

YOU'RE SO BRAVE. YOU NEVER COMPLAIN.

OH, TODD. I DON'T KNOW IF I CAN BE AS BRAVE AS YOU.

...whilst I met a sister and brother afflicted with pararibulitis...

DESCRIBE THIS BRITISH GUY. IN INTENSE DETAIL.

...avoided an old "friend," Col. Riggins...

YOU DON'T GET TO SAY HER NAME.

YOU DON'T GET TO LOOK AT HER...

WHY?

SOOK!

MS. BLACK SAID I WAS TO TAKE YOU DIRECTLY TO THE PERRIMAN GRAND, SIR. A ROOM HAS BEEN PREPARED FOR YOU.

WELL, HE'S... THINNER THAN I IMAGINED.

...ran into an overprotective father named Simon Black, whose daughter Farah needed help...

...so I called in Other-Dirk...

REMEMBER...  
EVERYTHING IS CONNECTED

CHILDHOODS  
HE NEVER  
HAD...

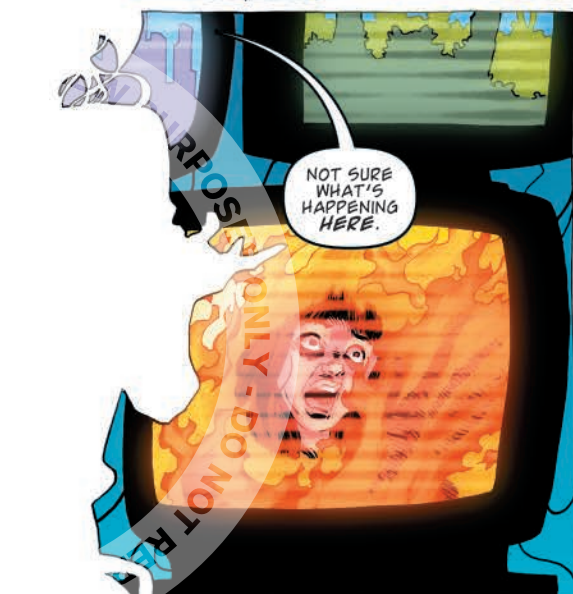

"...MYSTERIOUS  
MILITARY FIGURE."

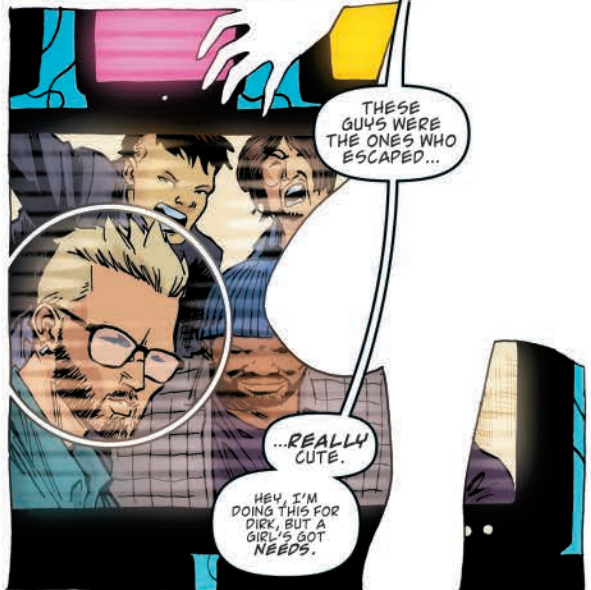

THIS GUY'S  
IN CHARGE OF  
THE BLACK  
WING STUFF.

PEOPLE  
WITH POWERS  
LIKE HIS.

NOT SURE  
WHAT'S  
HAPPENING  
HERE.

THESE  
GUYS WERE  
THE ONES WHO  
ESCAPED...

...REALLY  
CUTE.

HEY, I'M  
DOING THIS FOR  
DIRK, BUT A  
GIRL'S GOT  
NEEDS.

OKAY, MR.  
MICROWAVE, I  
KNOW WHERE I  
WANT TO GO  
NEXT!

I AM *NOT* A  
MICROWAVE!

SEATTLE.

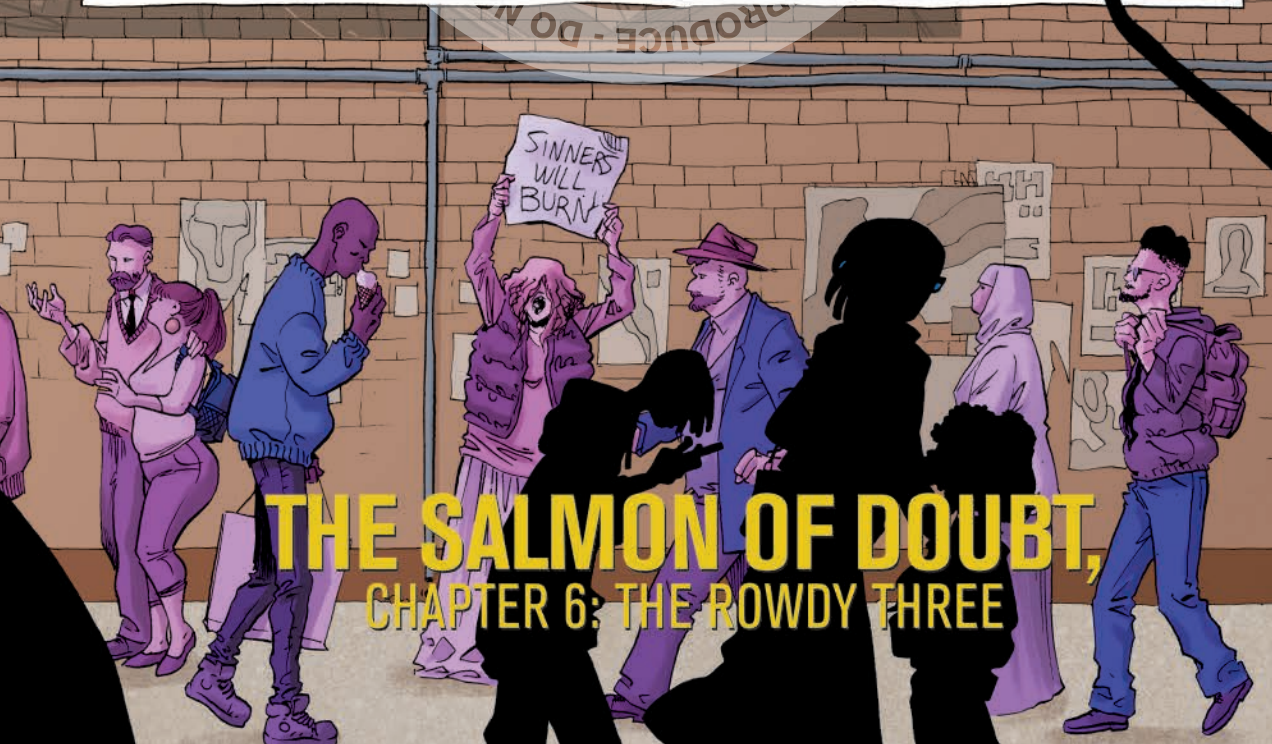

THIS ONE?

MAYBE THIS ONE.

OR...?

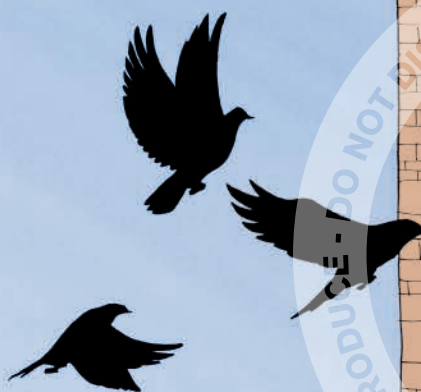

# THE SALMON OF DOUBT,

## CHAPTER 6: THE ROWDY THREE

I've been keeping an eye on this other-me.

IT'S THE PERRIMAN GRAND. IT'S JUST OVER HERE.

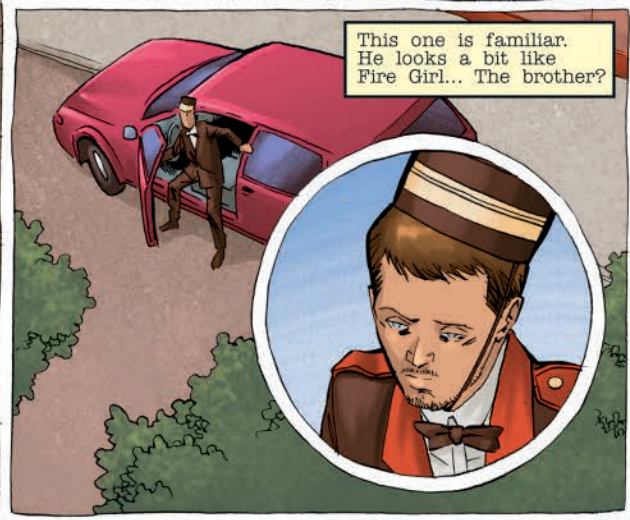

His execution is sloppy. But at least he knows the rules.

Rule 7: Never meet the client where they asked you to meet them.

Sets the power dynamic all wrong.

Who's that?

This one is familiar. He looks a bit like Fire Girl... The brother?
