

Hey there, cutie! What's going on?

Chet is still upset about the magic show incident.

Of course they are! That was so traumatic! How are you feeling?

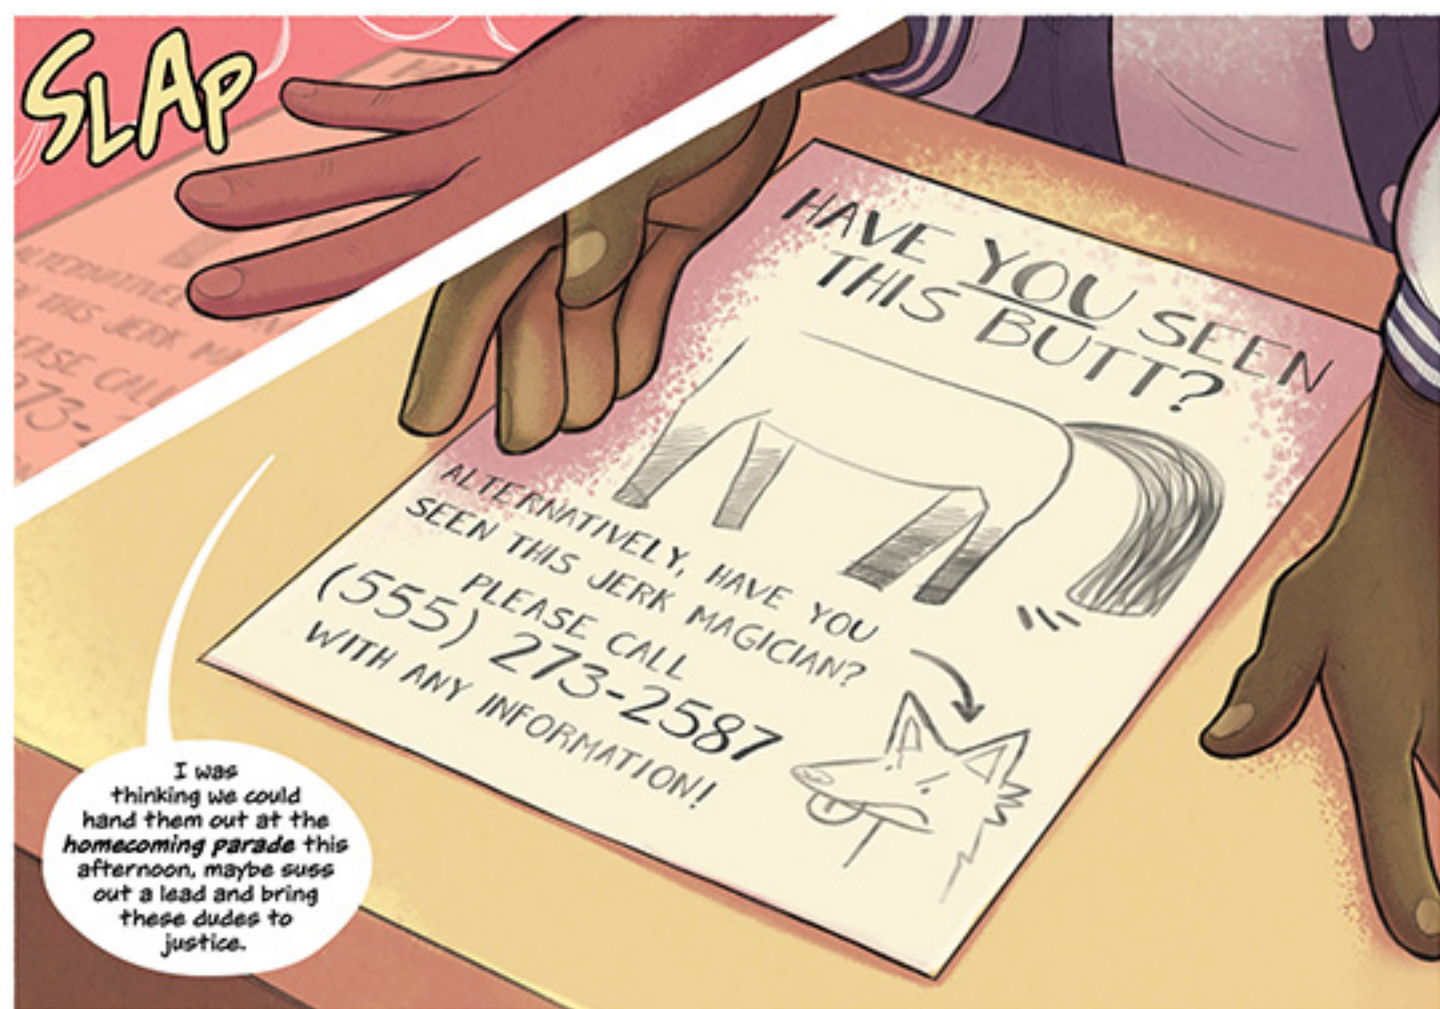

:(SOB: NOT GOOD

I'm so sorry. I know this must be so hard.

We'll get your magic back, and we'll make sure those magic show bros can never steal anyone's magic ever again. How does that sound?

:(Sniff-- good?

SLAP

I was thinking we could hand them out at the homecoming parade this afternoon, maybe suss out a lead and bring these dudes to justice.

This isn't what we planned on doing.

We didn't plan on doing anything. I'm trying to be proactive. We don't know what these guys are capable of.

Other people could be in danger. You could be in danger. I can't stand by and let that happen.

What about Chet? Did you ask--

I LOVE IT THANK YOU SELENA
