Runaways

When they were younger, Nico Minoru, Chase Stein, Gertrude Yorkes, Karolina Dean, Molly Hayes, and Alex Wilder became friends through circumstance: hanging out once a year every year while their parents had what they claimed was a dinner party. The Runaways learned to use powers and resources inherited from their parents, and returned to defeat them. The kids won, but they didn't all survive. Everyone left has done their best to move on, but it hasn't been easy...

She was in the best girl gang ever for a hot minute. Should have known that wouldn't last...

What do you call a Runaway with nowhere left to go?

Alone.
