PETER PARKER: THE SPECTACULAR SPIDER-MAN

Hello! I just got here! I AM SO CONFUSED!

It's okay! Spidey, his maybe-kind-of-sister Teresa and the Human Torch are caught up in a super villain team-up between the Kingpin and the Tinkerer!

Woah. What are those baddies doing together?

We're not entirely sure yet! Spidey wasn't able to find any evidence of the Kingpin actually committing any crimes.

Good for him! What about the Tinkerer?

As you know, he is a bad guy. He has brother, the Mason, who is a good guy! He helps super heroes with their gear! So there's a sibling theme going on.

What's the deal with Spidey's sister?

Well, Teresa is on the run from a rogue S.H.I.E.L.D. outfit called THE GREY BLADE, and is lying low with Peter, who is trying to make a relationship work with a stand-up comedian!

Oh my gosh, don't tell me: Spider-Man is dating Tig Notaro??? Maria Bamford? Ali Wong?

Well, no. It's the up-and-coming rising star stand-up comedian Rebecca London!

I love when Peter dates Rebeccas.

Okay? Anyway, it's not actually Peter who's dating her. It's Spider-Man. After years of maintaining his secret identity so the people in Peter's life could be safe, he's making a go of it as the web-slinger instead!

That sure sounds healthy!

Uhh... Sure! Read on to find out if Spidey can make it work!
