# SPIDER-MAN

High schooler Miles Morales was bitten by a stolen, genetically altered spider that granted him incredible arachnid-like powers. He has only shared this secret with his friend Ganke, Fabio Medina (A.K.A. Goldballs), and his secret agent father, Jefferson. Recently, Miles' mother, Rio, learned Miles' and Jefferson's secrets, creating a rift in the family.

Meanwhile, Miles is nursing a broken rib, Fabio is nursing a crush on their friend Lana, who likes Miles, and after an intense talk with Ganke, Miles isn't even sure he should be Spider-Man anymore.
