AHHH!
ULTRON IS A DINOSAUR NOW!!
I'M STILL PUNCHING HIM REALLY HARD ON HIS PROPORTIONALLY TINY METAL HANDS THOUGH!

Hey!
Ouch!

SMACK

You punch harder than most humans I've met.
You do call yourselves "humans," right?

Yeah we call ourselves "humans"! And the reason I punch harder than most is because of, Uh--

Spin class!

Yeah, spin class! I work out!

Didn't ask, don't care. And you're still gonna die.

AHHHH!

I don't even know why we did a recap page when the First line of "Ultron is a dinosaur now!!" answers any and all questions you might have about this story!
Q: Does this comic have Ultron in it? A: Yes. Q: Is he currently in the Form of a dinosaur? A: Most certainly.

I agree! Meanwhile, I'm, uh, I'm gonna distract Ultron and then leave to get help! Over here, where y'all can't see!

Great idea!

Antonio the Doombot! I can activate him, he'll know what to do!

It's worth a shot!

Okay! Once I've gotten help I'm going to hide so I'll be completely gone from now on, but I'm safe and nobody should worry or even think about me! Especially you, Stefan!

Got it!

An oddly specific set of mysterious instructions! Very Doom style. I like it!

Hey Ultron, you bumbling bag of bolts! Over here!

You arrogant automaton! You jabbering junkheap! You primitive pile of pistons!

Hey, come on. I hate *all* organic life.

There's no need to make this personal.

Whoa!

Sorry to any robots reading this in the audience. Squirrel Girl's just trying to rile Ultron up with some good old-fashioned alliterative insults. She doesn't think you're all arrogant automatons or jabbering junkheaps, honest! And only the earliest and most poorly constructed among you could possibly be referred to as primitive piles of pistons!

Hiding in the dark won't save you for long. I know you're here somewhere, sassy human!

Tippy! Where were you?

Dinosaurs! It's way more interesting than computer stuff! We discussed this!

Okay, well now Ultron's a giant dinosaur and we need to fight him! Suit up, Tippy, we don't have much time!

On it.

Ready.

You know what? This is stupid; I'll just turn on the lights. I know I saw one of those big industrial "ka-chunk" switches around here somewhere...

Us versus a killer metal dinosaur. You ready?

You know it.

KA-CHUNK

It's time to eat prehistoric nuts and kick metallic butts!!

Cchhhhtttt!!

Wait, are you new? All you humans have the same basic proportions, and I don't know how you tell each other apart.

Honestly, your tailbone's a bit longer, but--

Yeah I'm new! I'm the Unbeatable Squirrel Girl, Ultron! And heads up, buddy, because--

--you have incurred the wrath of Doom!!

And that wrath will be delivered via me, his proxy...

...Antonio the Dombot!!

This one is definitely new.
