STAR WARS

Annual III

In an effort to find a new staging ground for a hidden rebel base, Han Solo has led rebel leader Princess Leia to the planet of Odonia, a remote world of harsh extremes and secret alcoves long used by pirates and smugglers to avoid the Empire.

But as their mission stretches on, Han and Leia find themselves cut off from their allies, and lost in the caves of Odonia as a massive ice storm approaches....

RRRRRAAR

Oona.

WHAT DO YOU MEAN "DAYS"?!
IT WAS BARELY OVERNIGHT--A DAY AND A HALF!

YOU SUGGESTED A CAVE FULL OF ANGRY TEETH BEASTS AS A SECRET MILITARY BASE!

ONE ANGRY TEETH BEAST! ONE!

RRRRGGH... OF ALL YOUR BRIGHT IDEAS...THIS PLACE TAKES THE CAKE. FIRST, WE'RE BAKING ALIVE IN THIS UNBEARABLE HEAT... AND NOW...

WHATEVER THAT IS!

HEY! LISTEN, YOUR HIGH AND MIGHTINESS--

--YOU ASKED FOR SECRET. NOT EASY.

AND THESE OLD SMUGGLING CAVES ARE EXACTLY THAT. AN INTERCONNECTED MAZE. A PLACE NO ONE WANTS TO LOOK.

AND BELIEVE ME, SISTER--RIGHT NOW...

...THEY'RE A PLACE WHERE NO ONE WANTS TO BE!

CLIK CLIK CLEEK CLEEK

WHAT DID YOU--

WHAT DID SHE SAY?

SELT SAYS--ZZZT--PATIENCE.

WIND MAKES THE SHOT--ZZZT--UNPREDICTABLE--

PATIENCE IS NOT A LUXURY WE POSSESS...

THEY ARE EXPOSED HERE. NOW. IF THEY RETURN TO THE REBELLION WE WON'T GET THIS CHANCE AGAIN...
