THE ENORMOUS PROFIT

Part IV

It is a period of opportunity. In a galaxy oppressed by Imperial forces, there is little hope for the future. But for those operating on the fringes, there is potential for profit.

Rogue archaeologist Chelli Aphra has reactivated the Rur Crystal, an artifact with the consciousness of an ancient Jedi with powerful levels of technopathy, and she's selling to the highest bidder.

Unfortunately, Aphra's auction gets derailed after her droids – BeeTee and Triple-Zero – incite havoc after taking control of the Rur Crystal and attacking the attendees. As her guests begin battling for survival, Aphra goes to confront the droids – only to meet her worst fear....
