cough!

As your RA, the admin wants me to remind you boys to **wash your hands**. This new bug that's going around is apparently giving **fresh meat** the sniffles...

**Not on my hall.** If any of you feel a fever come on, report to me...**ASAP**. Got that?

Here's some hand sanitizer, compliments of the admin. It's for killing bacteria. **Hands only**, you degenerates. Rub it anywhere else and you'll think your skin caught fire.

Need me to give you a demonstration?

...What?

Just kidding. You look like you're about to pass out. What's your name?

...Charles.

I'm Henry. I'll keep my eye on you, **Charlie**. Don't want you keeling over on me, okay?

Uh...okay.

Read your Camus, kiddies! There's a plague heading our way! "They fancied themselves free, and no one will ever be free so long as there are pestilences."
