Woohoo!

I'm glad to help, but they're kinda waiting for me back at the party pad.

I was supposed to bring hot dog buns and be back in ten.

So which cave is the last statue in? The map doesn't say.

Ugh. Why can't we go on adventures in posh hotels?

Let's go for that cave. We can tie our ropes to those stalagthings*.

Thanks, Party God! We're here! Have fun at the shindig!

I only offered to help because I thought it was a PARTY.

But your parties are LAME!

Turtle Princess is back with the rad vocab! Just remember: STALACTITES point down, and STALAGMITES point up.

Peebs, what are you doing? I'm not a llama.

I met a llama once. Like, no thanks. Too much drama.

We can't just leave our statue in the balloon.

Whoever gets the next one wins.

Gosh, I hope nothing terrible happens in this scary cave!

Don't be such a killjoy*.

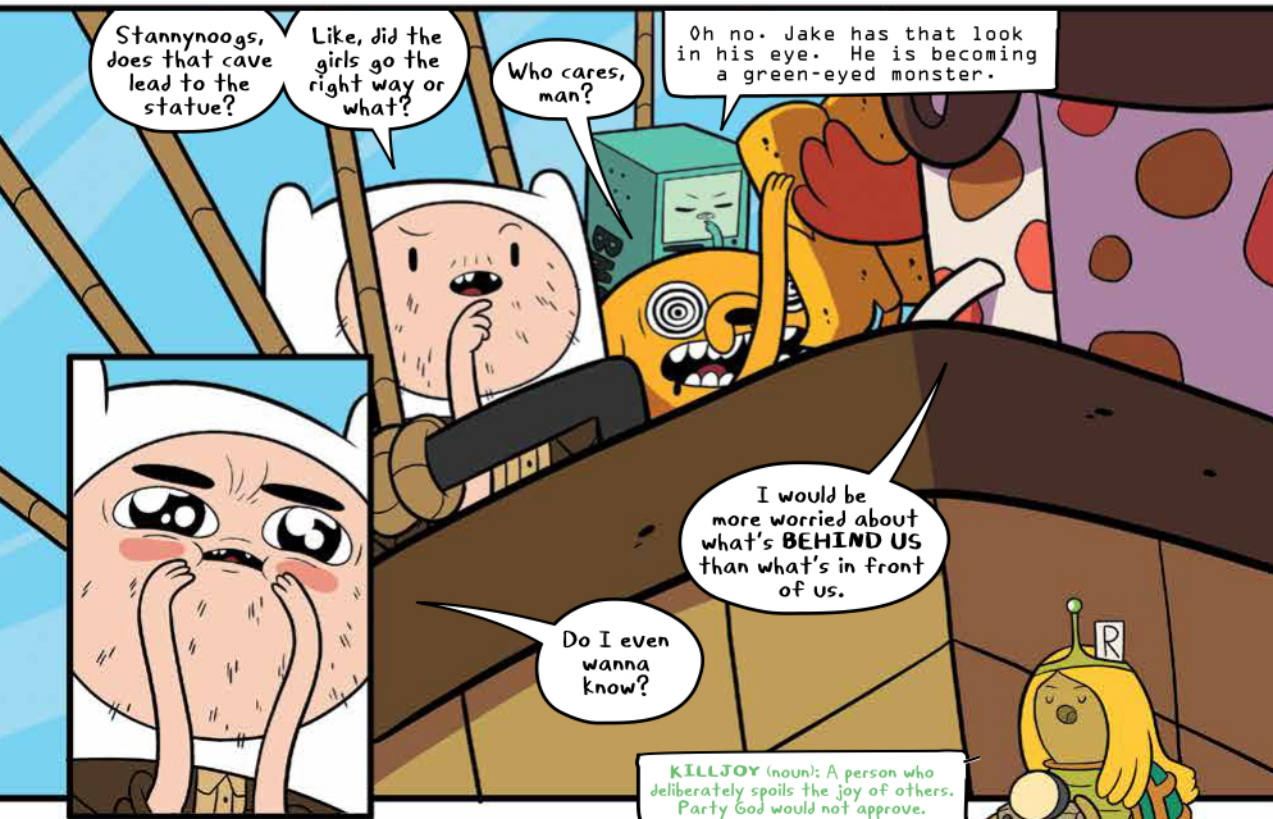

You can't spell **ADVENTURE** without...

Rude?

No...I guess I didn't think that one through first. You can't spell **FUNCTION** without **FUN**. So let's...

Function?

Yeah!

Stannynogs, does that cave lead to the statue?

Like, did the girls go the right way or what?

Who cares, man?

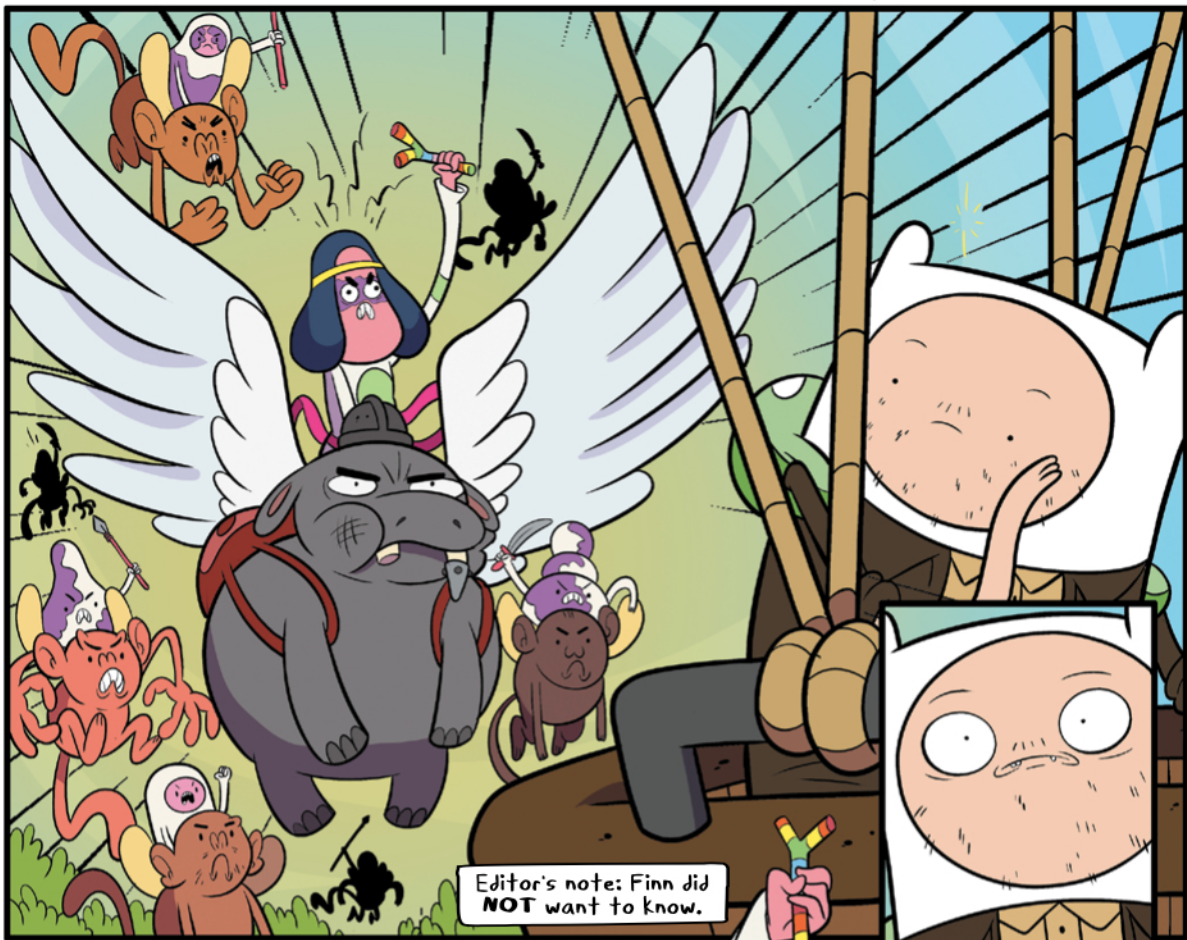

Oh no. Jake has that look in his eye. He is becoming a green-eyed monster.

I would be more worried about what's **BEHIND** us than what's in front of us.

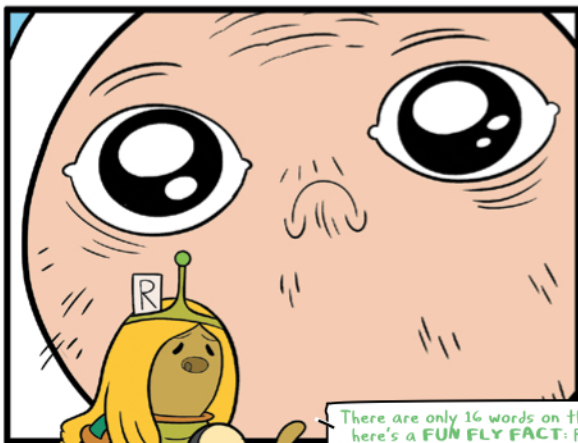

Do I even wanna know?

KILLJOY (noun): A person who deliberately spoils the joy of others. Party God would not approve.

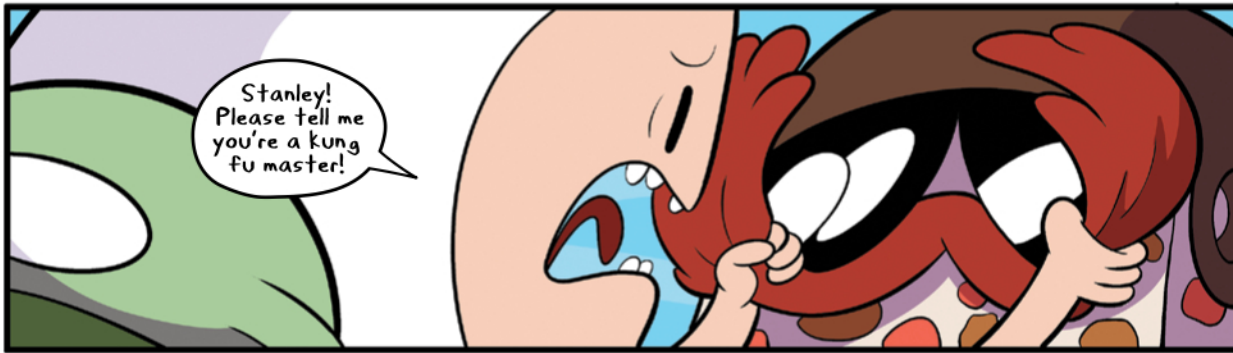

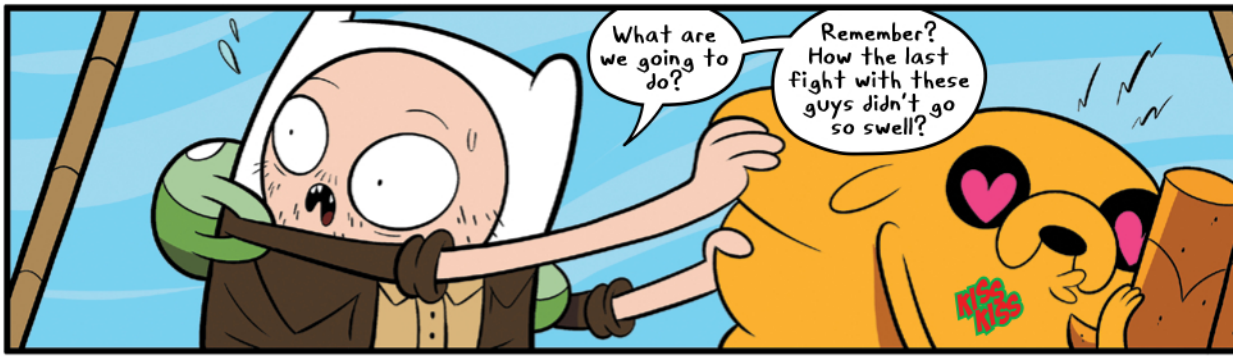

Editor's note: Finn did **NOT** want to know.

There are only 16 words on this page, so here's a **FUN FLY FACT**: Flies can't chew. Also, they taste with their feet.

BOMBINATE (verb): To make a buzzing noise or deep, hollow sound. So at this point, it's probably half Stannynoogs and half angry monkeyfly.
