

WAR MOTHER™

Ana — a.k.a War Mother — is protector of the Grove and its people. As chief warrior and resource-collector for the city, she always had a violent, difficult job.

As food and resources fell short, Ana and her sentient rifle — Flaco — embarked on a journey in search of a new paradise. Believing to have found it, she signaled her people to join her. However, once the signals were fired Ana was restrained and taken prisoner by a mysterious force. With no way out, and no means to warn her people, Ana is trapped, struggling to break free...

HELLO?

Ana?
Ana, where
are you?

I DON'T
KNOW, FLACO.
I WOKE UP
HERE.

UNDERNEATH
THE MONTANA, I WOULD
IMAGINE. IN ONE OF THOSE
HUNDRED SUB-LEVELS YOU
NOTED FROM ABOVE.

WHERE
ARE YOU?

I don't know
either. There is
a screen in front
of my eyes.

I have
this
feeling--
like...

My thoughts--they're
like small birds. They can't
stay in one place. They
just keep flitting from
one point to the next--

THAT'S
OKAY, FLACO.
I THINK--

I THINK
THAT JUST
MEANS YOU'RE
SCARED.

"Scared."

Ana,
I don't
like this
scared.

MAKES TWO OF US.

BUT DON'T--TRY TO STAY STRONG, FLACO.

WE'RE STILL CONNECTED, SEE? WE STILL HAVE OUR WAR BOND.

AND I SWEAR, FLACO.

I WILL FIND YOU.

I SWEAR.

I... I know you will, Ana.

I believe you.

HUSH NOW.

SOMEONE'S COMING.
