Brilliant physicist Neela Sethi unlocked the secrets of time travel last year – relatively speaking – and began her epic journey. She’s since traveled to a time before man, seen the end of the universe and befriended Ank, a dinosaur-like woman.

Now Neela is trying to stop an evil Do-Bot from erasing history. She’s recruited Faith and a group of heroes from across time...

I HAVE TO ADMIT.
I REALLY DO LIKE
SUPERHERO
MOVIE REBOOTS.

IT'S KIND OF LIKE THE
MODERN VERSION OF
SHAKESPEARE, YOU KNOW?

NOT
PICKING
ANYTHING
UP!

SEEING NEW TAKES ON
THE CHARACTERS WE LOVE.
NEW PERFORMANCES.

(NOT TO MENTION
UPDATED EFFECTS!)

BUT SEEING THOSE ORIGIN
STORIES OVER AND OVER
DOES GET DEPRESSING.

WATCH
YOUR
SIX--

MAYBE IT'S JUST ME.
BUT THERE'S A PART OF
ME THAT ALWAYS HOPES
THIS TIME, THINGS WILL
GO BETTER.

THE PLANET WON'T
EXPLODE. THE
PEARLS WON'T BREAK.

FAMILY
WON'T DIE.

OF COURSE, IF THAT HAPPENED, THEY WOULD NEVER BECOME HEROES.

BUT I LIKE TO PRETEND THERE'S AT LEAST ONE VERSION OF THE STORY SOMEWHERE OUT THERE WHERE THEY'RE HAPPY.

NOT COOL,
DUDE.

HEY, THAT'S
MY VOICE!

IS THAT TIN CAN
MAKING FUN OF
ME?

NOT SURE,
BUT IT HAS
PSIOT POWERS
TOO. MAYBE
AS STRONG
AS MINE.

"OR
HARADA'S."

WE'RE LOSING
PEOPLE LEFT
AND RIGHT!

MAYBE WE
SHOULD HAVE
BROUGHT
HARADA ALONG
FOR THIS.

GIVING
HIM ACCESS
TO THIS KIND
OF POWER?

FRYING
PAN TO
FIRE.

WE NEED
THE WORLD TO
STILL BE HERE
BEFORE WE WORRY
ABOUT WHO'S
TRYING TO TAKE
IT OVER.

I BROUGHT ALL THE HEROES I KNEW HERE. EVEN SOME I DIDN'T.

THIS SHOULD BE ENOUGH.

ALL OF US SHOULD BE ENOUGH.

HOW THE FRAK IS THIS DERPY-LOOKING ROBOT SO STRONG?!

UNH!

IT HAS THEIR POWERS.

IF THIS BATTLE REALLY HAS HAPPENED BEFORE...WE'RE JUST FEEDING IT.

UGH,
JERKS.

TIME
TO PARTY
FOR REAL.

BOOOOM!

WHAT
THE--
