

**NO!  
LEAVE ME  
ALONE!**

*I'd wager **NOT** the  
man who finds it  
fun to break 'em.*

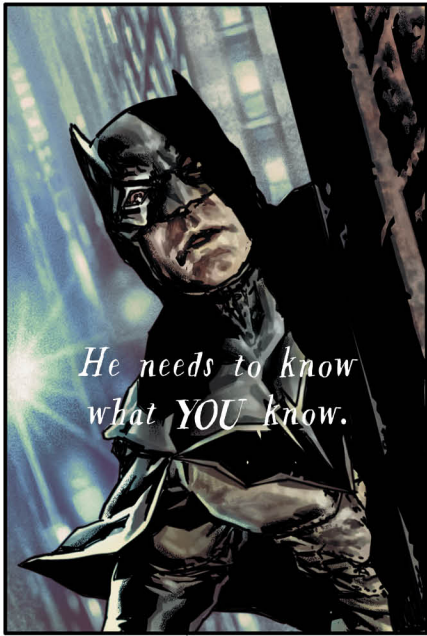

*Oi, friend, it's  
too late for that.*

*You can't take back  
what you **SEEN**, or  
what you've **SAID**.*

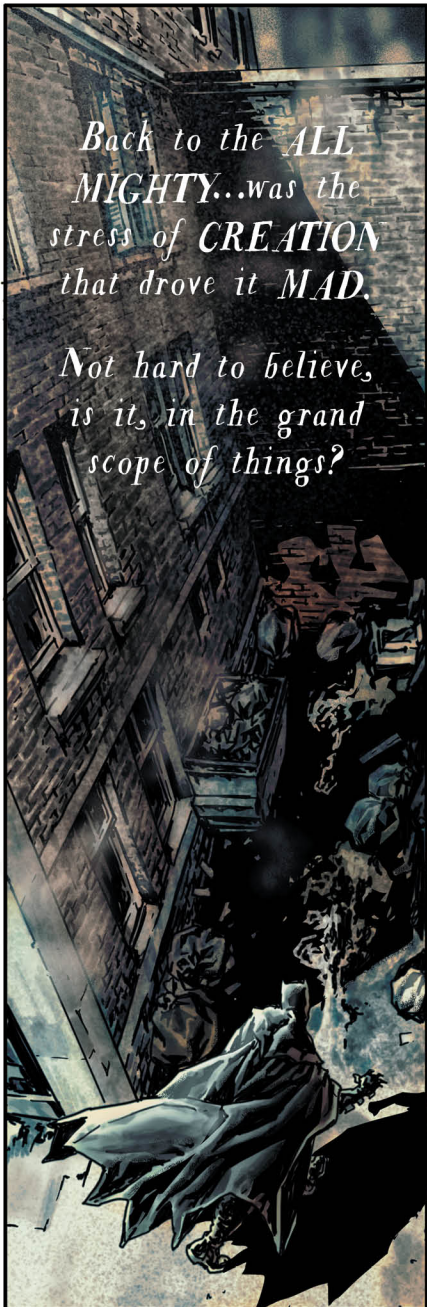

***HE** heard you, an' now?*

**PUNCH**

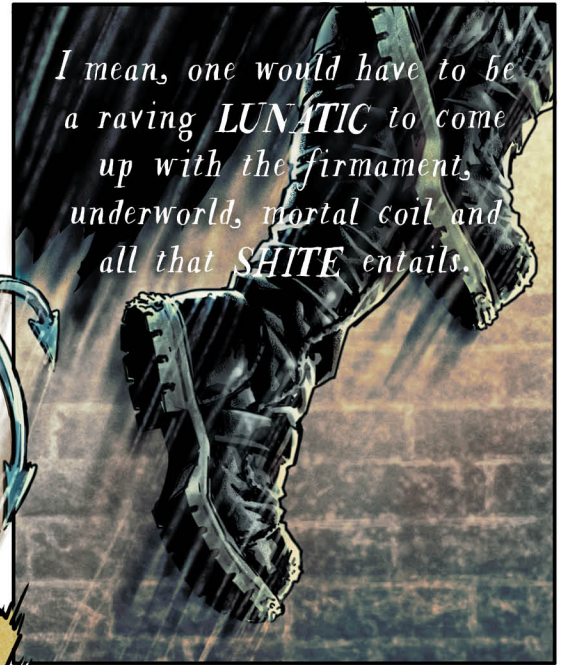

*He needs to know  
what YOU know.*

*Back to the ALL  
MIGHTY...was the  
stress of CREATION  
that drove it MAD.*

*Not hard to believe,  
is it, in the grand  
scope of things?*

*I mean, one would have to be  
a raving LUNATIC to come  
up with the firmaments,  
underworld, mortal coil and  
all that SHITE entails.*

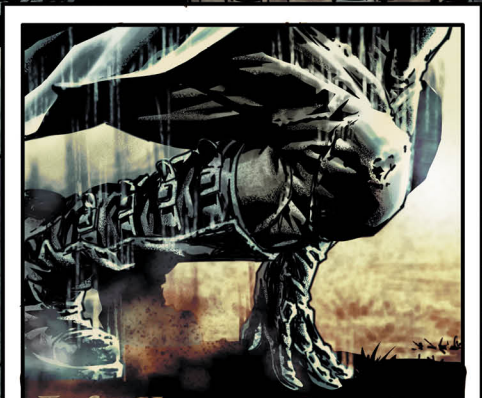

*If not, the very act  
of creation itself  
would drive one...*

*BATS.*

*Not that I'M judging.  
Hell, who am I, to  
judge the top judge?*

**WUMP**

*But between me an' the wall,  
"MYSTERIOUS WAYS"  
is a kind way of saying  
arbitrary and capricious.*

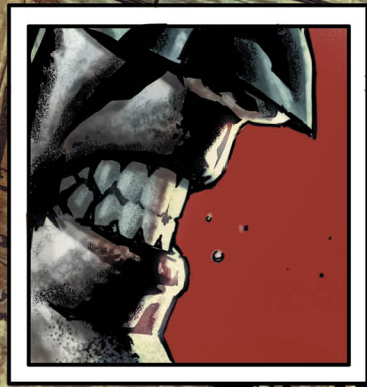

*Again, NOT judging.*

*God forbid.*

*Not that it ever would.  
Free will, an' all.*

*Free will.  
The NOOSE we're  
ALL born with.*

Here comes  
the **JUDGE**.

**WASH**

I KNOW  
WHAT YOU  
DID...
