TRANSFORMERS BUMBLEBEE

Someone has been framing various foreign powers for being responsible for the high-profile assassinations that have been happening worldwide. The threat of all-out nuclear warfare looms ever nearer, and it seems retaliation is inevitable. Thanks to Bumblebee's tracker on Diabla, Bee, along with Lux and Reeve, are able to find the Decepticon hideout and the Decepticon behind it all—Malignus! But it seems that Diabla is a step ahead, and their lives and the fate of the world are in jeopardy once again.
