Sue Storm Richards is not a force to be trifled with. Cosmic rays gifted her the power to make herself unseen at will and project invisible force-fields around herself and those she fights to protect. She's a devoted wife, a fearless mother and a fierce member of the Fantastic Four. She is the...

During her time as a secret agent, Sue became close friends with her partner, Aidan Tintreach. When Aidan was captured by Moravian spies, the C.I.A. brought Sue in to see if she had any information on his whereabouts, but discouraged her from investigating.

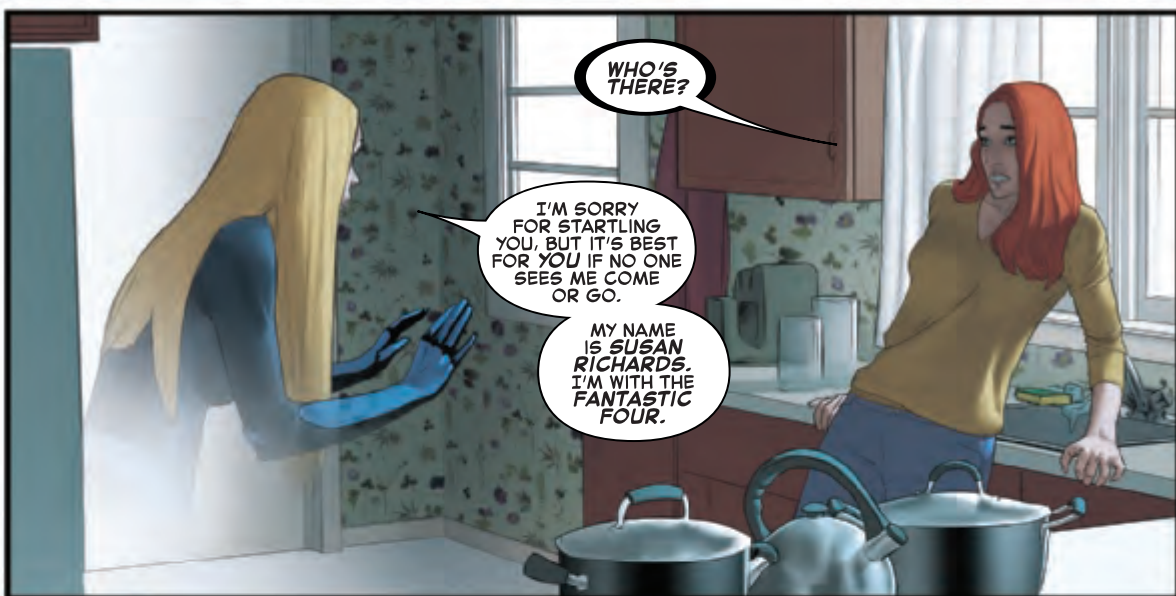

Sue didn't listen, and her search led her on a wild chase through Madripoor that ended in a shocking discovery. Aidan has a wife that Sue never knew about, and now Colleen Tintreach may be a target as well.

IF I HAD THE TIME, I'D FEEL **HURT**.

THERE'S NO **JEALOUSY** INVOLVED. IT'S NOT THAT.

IT'S THAT **AIDAN** WAS MY **PARTNER**. OUR SURVIVAL DEPENDED ON **TOTAL TRUST**. IF HE KEPT A **MARRIAGE** SECRET...WHAT **ELSE** DIDN'T HE TELL ME?

HE SAID
HE WAS AT A
CONVENTION. HE
SELLS **INSURANCE**.
THAT'S ALL I
KNOW.

I CAN'T
AFFORD FOR THIS
