Doreen Green doesn't just study computer science - she also studies *justice*, thanks to her being born with all the powers of a squirrel and all the powers of a girl! With the help of her best friends (human and squirrel), she fights crime and saves Earth on the regular. Her pals call her Doreen - which means you can too! - but if you ever see her in costume, keep her secret identity safe and call her...*The Unbeatable Squirrel Girl!*

Squirrel Girl *in a nutshell*

Squirrel Girl @unbeatablesg ✓

Okay, my secret identity may just have been made public. But consider the source! This is MELISSA MORBECK: KNOWN BAD LADY. Remember when she tried to TAKE OVER THE WORLD?? Because I sure do

Squirrel Girl @unbeatablesg ✓

and YES she's a brilliant engineer and YES she's the one who taught us all about the iron rings all the engineers in Canada wear to remind them of their responsibilities every time they sign off on a blueprint and YES she's incredibly clever and brilliant --

Squirrel Girl @unbeatablesg ✓

-- hold on this tweet thread isn't going the way i intended --

Squirrel Girl @unbeatablesg ✓

The POINT is that she's MANIPULATIVE and thinks she's better than the rest of us and thinks that she's somehow qualified to control the world! Is THAT someone you want to be listening to? Even if they are sharing TRUE FACTS vis-à-vis my identity??

Squirrel Girl @unbeatablesg ✓

Anyway, yes. My name is Doreen Green, and I'm the Unbeatable Squirrel Girl. This used to be a fact only a few trusted loved ones knew, and now everyone knows it, so CONGRATS, YOU NOW KNOW A COOL FACT, ENJOY

Squirrel Girl @unbeatablesg ✓

And normally I'd be MORE than happy to hang out here and answer everyone's questions, but my friend BRAIN DRAIN is missing, so if anyone has seen him please reply to this thread to let me know!!

Squirrel Girl @unbeatablesg ✓

He's easy to recognize, he's a brain in a jar in a robot body and he's REAL good at nihilism, which is how you can tell him apart from all those other brains in jars on robot bodies that are slightly less good at the ol' nihilism

Squirrel Girl @unbeatablesg ✓

UPDATE: some of y'all have decided to crash my CS lab in order to fight me??

Squirrel Girl @unbeatablesg ✓

UPDATE: SOME OF Y'ALL ARE SUPER VILLAINS I'VE DEFEATED IN THE PAST AND WHO ARE CARRYING A GRUDGE YOU'D NOW LIKE TO SETTLE ONCE AND FOR ALL???

Squirrel Girl @unbeatablesg ✓

UPDATE: SOME OF Y'ALL ARE CURRENTLY PUNCHING ME AS I'M TRYING TO SHARE MY CONTENT ONLINE??

Squirrel Girl @unbeatablesg ✓

UPDATE: I GOTTA GO DEAL WITH THIS, MORE SOON, ALSO I KNOW YOU'RE LIVESTREAMING THIS @EPICCRIMEZ AND IT'S SO STUPID SO PLEASE STOP

Epic Crimez @epiccrimez

Good. I'm glad you're all on board. Squirrel Girl has handed each of us our greatest defeats, and with her out of the way, I'm sure you'll *all agree nothing* can stop U--

Careful, Ms. Morbeck...

...for you are *perilously* close to daring to speak for *Doom*.

I will now explain the terms of my participation--once. Know that I do not take orders from lesser people, which is the same as saying I do not take orders from *anyone*.

Know also there is not a universe in which I am stupid enough to believe this team will stay intact after Squirrel Girl is dead.

One of two things is about to happen: Either you will all foolishly *perish* trying to defeat Doreen--in which case, none of you shall irk me again and Doom will triumph...

...or you will *succeed*, and Doreen Green, the single greatest threat to my machinations, will be eliminated. If so, *again* Doom triumphs.

Whether through luck or fate, this plan--though it did not spring from the brilliant mind of Doom--meets with my approval *prima facie*. For one reason: It acknowledges, accepts, and bends itself toward the one universal truth, the only eternal and unalterable fact of the universe...

...No matter what happens, Doom

always

triumphs.

Naturally.
I would expect
nothing less, Doctor.
I've been planning for
the same eventualities
that you have, and
once Doreen Green
is gone...

...may
the best
tactician
win.

Yes.
That is the
same as saying
"may Doom win,"
which is the
correct
wish.

But until then, I welcome your help. I
welcome *all* your help. And as proof
of that, I'd like to give you one last
welcoming gift, something beyond
Doreen's secret identity.

It's another
ace up my
sleeve, and the
beginning of
our shared
plan...

Brain Drain,
would you step
out on stage
please?

In case you're wondering, *yes*, Whiplash is well aware that he's out of his league and clearly only been invited to this meeting because The Abomination was unavailable, and *yes*, he's going to do his level best to make a good impression on all these evil geniuses!

That line The Boomerang used is pretty obvious, but he still uses it every chance he gets. Why? Well, he used to have some other zingers, but he forgot them. It's okay: He's sure they'll come back to him eventually.

You may have defeated me with water *last time*,* but my associates here don't share that weakness.

**EDITOR'S NOTE: It happened in THE UNBEATABLE SQUIRREL GIRL #7-- or at least, there's a possibility it did! It'll make sense when you read the issue, honest.*

Sure, but you've all got a *different* weakness now. Care to hear what it is?

Sure!

None of you are *thinking* about what you're doing!

You find out *Doreen Green* has a secret identity, and the first thing you do is come here to *attack her*? Hello?! I'm the *last* person on Earth you should be attacking!

I'm a *civilian* with *super-powers* who's suddenly *free* to use them, which means I can now *defend myself* better than any other *civilian* on the planet!

And let's say you decide to go ahead with this anyway. What, you think attacking me on my worst day is going to make me *not* want to fight back?

You think my secret identity leaking *hasn't* given me tons of motivation to beat you guys *for real*, so that *anyone* who even *thinks* about coming after me down the road will remember what happened to *you* and get warned off *forever*?

In what universe is this *smart*, fellas? In what universe are you *ever* gonna come out on top here?

Uh...

...he started it?
