A large, grey-furred bear with significant blood splatters on its face and body is shown in a violent maul. It is tearing at the neck of a smaller, brown-furred animal, possibly a tiger or leopard, which is lying on the ground. The bear's mouth is wide open, showing sharp teeth and a large amount of blood. The scene is set in a dense forest with green foliage and tree trunks. A speech bubble from the bear says "NOW YOU DIE!". Another speech bubble from the smaller animal says "GRAE! WAIT!". In the bottom right corner, there is a small inset panel showing a close-up of a person's face with a shocked expression, and the sound effect "THWEEEEE" written in yellow, slanted letters.

**NOW
YOU
DIE!**

**GRAE!
WAIT!**

THWEEEEE

**I SAID
WAIT!**

A muscular man with dark hair and a yellow and black leopard-print sash is running through a forest. He is carrying a brown donkey with glowing green eyes. The scene is lit with a yellowish light, suggesting a fire or a bright light source.

**GRAE! CLAW
DOWN! STOP THIS
VENDETTA!**

**THIS
BEAST
SCARRED
ME AND I WILL
FEED ON ITS
MEAT!**

A close-up of Grae's face, showing a determined and angry expression. He has a yellow and black leopard-print sash and a gold earring. The background shows a forest with a blue sky and a bird flying.

**STOP! YOU STILL NEED
