

In Which Young Billy Wetherell Is Caught
Between Two Monsters, And Chooses To Go
With The Blonde One
And Matilda Finn Meets Professor Kevin Kaycee
For A Chat In A Cold, Dark Place.

TAE TH' CHIEF,
MAGGIE.

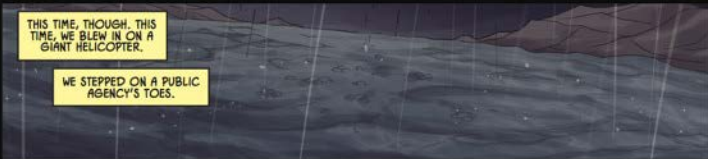

THIS IS *BAD*. THINGS ARE OUT OF HAND.

MI: OMEGA--WE USUALLY GO INTO A SITUATION QUIETLY AND SNEAK BACK OUT AGAIN. WE SAVE EVERYONE ELSE INVOLVED WITHOUT THEM EVER KNOWING THEY WERE IN DANGER.

I MEAN, MICHAEL LUDY USED TO PUT *WHOLE VILLAGES TO SLEEP* WHILE WE WORKED. THEY'D WAKE UP FEELING FANTASTIC, TOO, NEVER KNOWING THE HORRORS THEY'D AVOIDED.

THIS TIME, THOUGH. THIS TIME, WE BLEW IN ON A GIANT HELICOPTER.

WE STEPPED ON A PUBLIC AGENCY'S TOES.

WE STIRRED THINGS UP.

ME...? I LIKE TO SLIP INTO A SPOT OF TROUBLE LIKE I WOULD A WARM BATH. SLOWLY, SMOOTHLY, CAUSING NO RIPPLES IN THE WATER.

LOCH NESS WAS A
BOILING CAULDRON
BEFORE I GOT HERE,
AND THINGS ARE **REALLY**
OUT OF HAND NOW.

THEY'LL PROBABLY
DISSECT ME WHEN
MY BODY WASHES
UP ON SHORE.
