

I said...

I know you.

Floyd... please...

I...

I'm sorry. Thought you was someone else.

Can't believe how much you look like someone I know. It's weird!

I guess I've just... got one of those faces.

My friends and I need to lay low for awhile.

Well, you came to the right place.

Thank you, Floyd. For... you know.

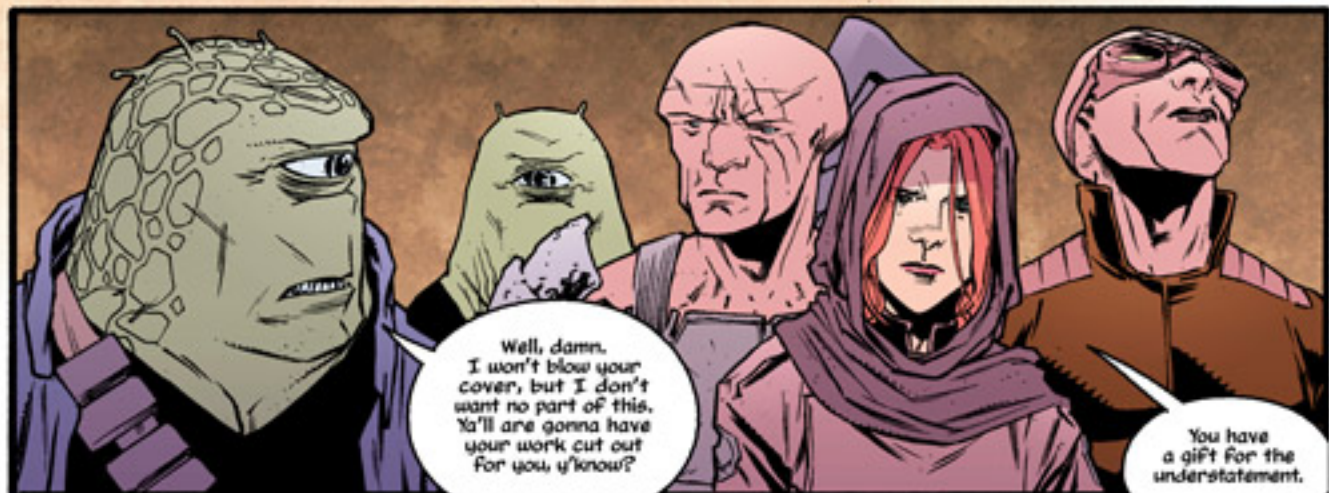

S'okay. Maybe you'll put a good word in for me with Ma? She pretty much disowned me, remember?

I'll see what I can do.

So what're you really here for? You know how dangerous it is for a cop to be sneakin' in here?

Believe me, we know. But my deputy's been abducted, and we think he's being held somewhere within these walls.

Well, damn. I won't blow your cover, but I don't want no part of this. Ya'll are gonna have your work cut out for you, y'know?

You have a gift for the understatement.

So? You guys finally ready to surrender?

Ha! I gotta hand it to you, you got a good sense of humor.

It's too bad we gotta kill you.

I'm not sure about that. It was a lot of work, sneaking him in here. He's good leverage as a hostage.

Yeah, but cops are strictly off-limits in here. Anyone finds out we got a cop--even as a hostage--and we're dead.

Dammit, you got a point...
