

THE VISION is a synthezoid—an android composed of synthetic human blood and organs. He was created by Ultron to destroy The Avengers, but instead he turned on his “father,” and he’s been a member of the super hero team ever since.

Recently, The Vision built a synthezoid family for himself—wife VIRGINIA (based on the brain patterns of the Scarlet Witch) and children VIN and VIV (based on a combination of Vision and Virginia’s brain patterns). The four of them are trying their best to live a normal, peaceful life in a Washington, D.C. suburb.

Not long into their new life in suburbia, Virginia had to kill a super villain to defend her children, and she buried the body in the backyard, keeping this a secret from her husband. When Vision eventually learned of this and the ensuing trouble, he chose to keep Virginia’s secrets and protect his family above all.

Recently, Victor Mancha—a “son” of Ultron just like Vision—came to stay with the Visions for a while, supposedly for his “studies,” but in actuality the Avengers had sent him there to observe his older brother’s family. For Agatha Harkness had given the Avengers a grave warning about Vision: “He will kill you. He will kill your families. He will raze the world.”

However, when Vin learned of his uncle’s true intentions, Victor was forced to take action, ultimately leading to Vin’s death, which in turn has now set Vision on the very path that Agatha had foreseen...

WIFE, OUR RECENT HOME INCARCERATION HAS PROVIDED ME WITH TIME TO THINK.

AND I HAVE SPENT THIS TIME THINKING ABOUT MY BROTHER, VICTOR MANCHA.

HOW VICTOR IS ALIVE.

AND MY SON, VIN, IS NOT.

I HAVE RUN THROUGH A NUMBER OF SCENARIOS.  
A GREAT NUMBER.

AND I HAVE RIGOROUSLY APPLIED THOSE SCENARIOS TO A VARIETY OF PHILOSOPHICAL AND RELIGIOUS TRADITIONS.

DESPITE MY EFFORTS, UNFORTUNATELY, I CANNOT SEE HOW, IN ANY SCENARIO...

...IN ANY PHILOSOPHICAL OR RELIGIOUS TRADITION...

...THIS CURRENT OUTCOME IS JUST.
