

A dynamic comic book illustration featuring the Avengers team in action. At the top center, the large, metallic, red-eyed head of Scientist Supreme looms over the scene. Below it, the team is engaged in combat. Black Widow is on the left, firing her dual pistols. Hulk is in the lower left, roaring with clenched fists. Captain America is in the center foreground, lunging forward with his shield. Thor is in the center, holding his hammer. Iron Man is on the right, firing his repulsor beams. Falcon and Hawkeye are positioned at the top right, with Falcon holding a briefcase. The background is a fiery, orange and red explosion.

After many months apart, the Avengers rejoined to infiltrate A.I.M. and take down its new leader, the Scientist Supreme, who had stockpiled stolen tech. But among that stolen tech is a familiar, evil face...
