This is *The Rock*, the most impenetrable animal shelter ever built.

This is Clancy, the head of the Canaan City Animal Care and Control.

This is Marguerite. She has sold us out.

We thought Marguerite wanted us to free her brother, Armand, but it looks like she just ratted us out to CCACC.

Oh yeah.

This is me and my pals. We're pretty much sunk.

"Armand...still...  
trouble."

"Time...table...  
moved."

"He...  
has...two  
horses?"

"I mean  
hours!"

"They're going to  
put him down  
at dusk!"
