

THE LAND OF GAYA SITS ON  
THE BACK OF THE BLACK TURTLE,  
GUARDIAN OF THE NORTH.

OVER HIS RIGHT SHOULDER IS  
THE DOMAIN OF THE BLUE DRAGON,  
GUARDIAN OF THE EAST.

OVER HIS LEFT SHOULDER IS  
THE DOMAIN OF THE WHITE  
TIGER, GUARDIAN OF THE WEST.

HIS TAIL POINTS TO THE  
DOMAIN OF THE RED PHOENIX,  
GUARDIAN OF THE SOUTH

THE FOUR GUARDIANS  
WATCH OVER GAYA  
AND ITS TRIBES.

THEY KEEP THE SUN SHINING...

...THE WATER FLOWING...

...THE WIND BLOWING...

...AND THE TREES GROWING.

WITH THE HELP OF  
THE MIGHTY ZODIAC,  
THEY GUARD THE LIGHT...

...AND ATTEMPT TO KEEP  
OUT THE DARKNESS.

Do  
you know  
where the  
other stars  
are?

Offer  
a rabbit **one**  
star and he asks  
for the whole sky!  
And here I thought  
I was greedy..

If you  
don't know  
where the others  
are, then tell me..  
where is Twilight's  
Bastion?

What business  
do you have there?  
I guarantee The Mighty  
Zodiac will not greet you  
with open arms. However,  
for the right price,  
perhaps I can negotiate  
a truce?

Ha!  
What's  
your "price"?  
Maybe..

"...stay in the shadows until we find the way to Twilight's Bastion!"

Well, what do we have here?

Little butterfly! Help... help me!

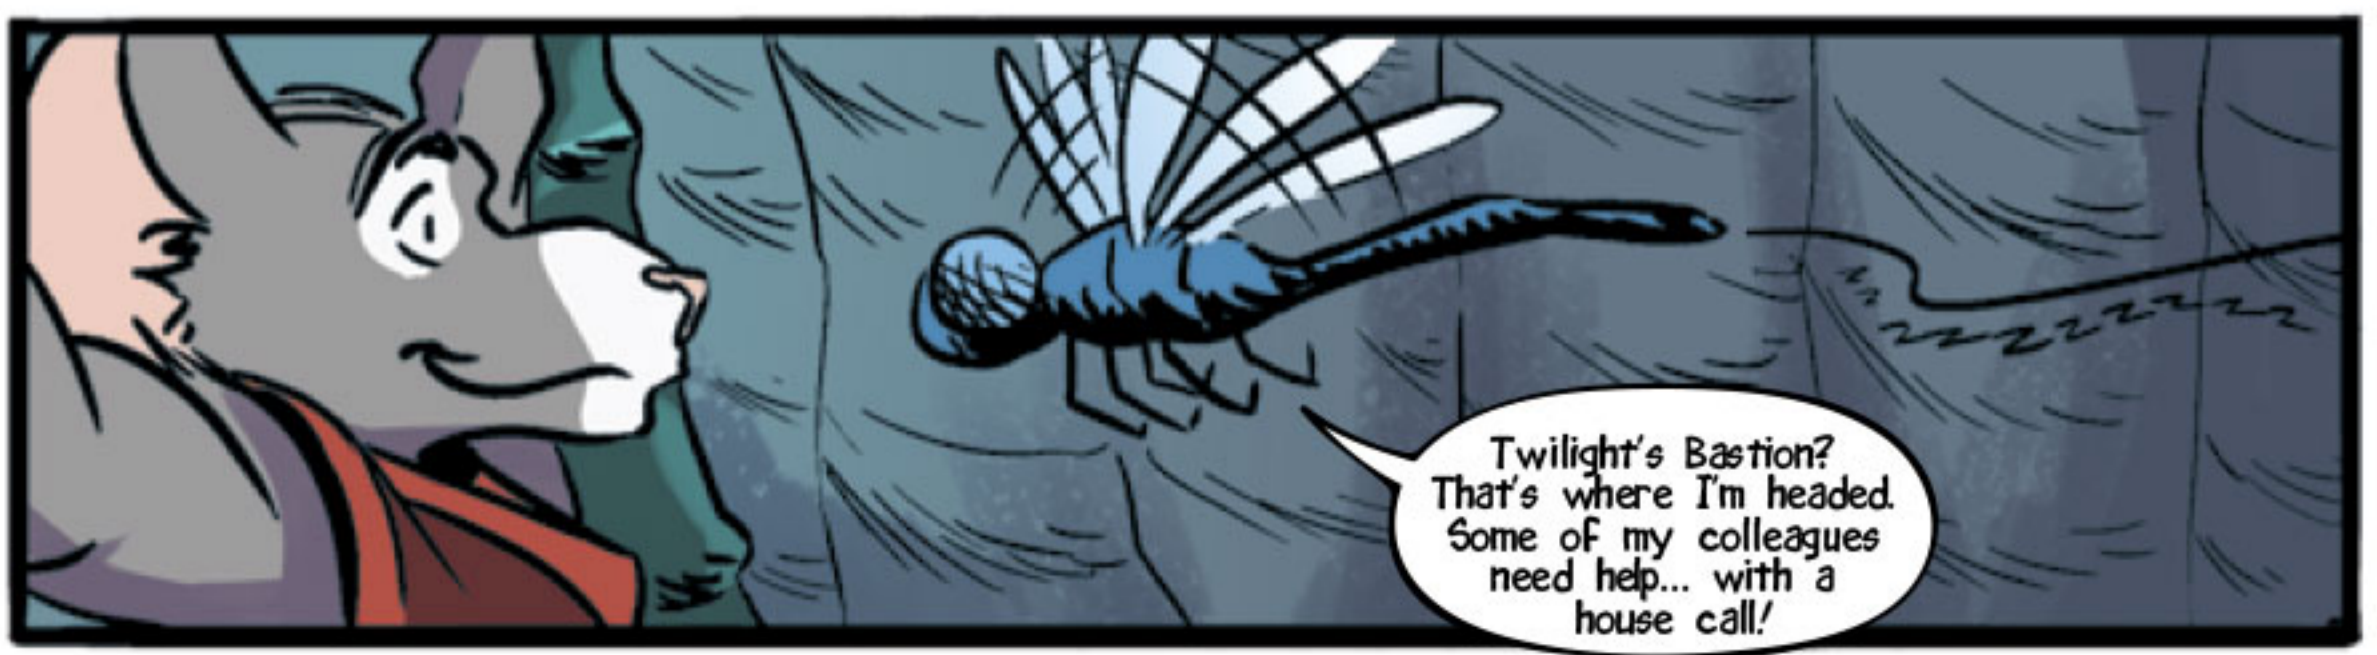

For your information, I'm a dragonfly! A snake doctor!

Sorry, I have trouble telling you bugs apart.

Well Good day to you then.

No, please! I have to get to Twilight's Bastion!

Twilight's Bastion? That's where I'm headed. Some of my colleagues need help... with a house call!
