

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

They're going to be here for a long time. We'll have to be ready for them. We'll have to be ready for them. We'll have to be ready for them.

It's strange, the people here seem to be from another world. They all speak the same language.

Yes, it is very strange.

It's strange, the people here seem to be from another world.

It's strange, the people here seem to be from another world. They all speak the same language.

Yes, it is very strange. The people here seem to be from another world. They all speak the same language.

It's strange, the people here seem to be from another world. They all speak the same language.

Yes, it is very strange. The people here seem to be from another world. They all speak the same language.

There will be a great deal of work in the future of the world. This man will be the one to lead us to a new world.

He is a man of great power and great wisdom.

He will lead us to a new world of peace and prosperity.

He will lead us to a new world of peace and prosperity.

He will lead us to a new world of peace and prosperity.

He will lead us to a new world of peace and prosperity.

He will lead us to a new world of peace and prosperity.
