

Terracare.

ECO-FRIENDLY AND JUST AS DEADLY.

YOU'RE SURE THIS LEADS US INTO THE LAB, CATWOMAN?

I DIDN'T PAY "NUMBER CRUNCHER" BACK THERE TWENTY GRAND FOR NOTHIN', BATGIRL.

NOTHING? YOUR SLOPPY THIEVERY PUT MY FAMILY IN DANGER.

SLOPPY, CALCULATOR? CRAWL UP HERE AND SAY THAT TO MY FACE.

STOP IT, BOTH OF YOU. WE'VE GOT TO WORK TOGETHER IF WE'RE GOING TO STOP IVY.

HE STARTED IT.

THAT KIND OF KISS WOULD KILL YOU, MORON.

IF POISON IVY DOES HER FAMOUS PHEROMONE KISS THING, I VOLUNTEER AS TRIBUTE.

HEH, THE FALL WILL PROBABLY KILL HIM.

WHAT FA

Nearby.

COPY THAT.
HANGING...

IVY, YOU SAID EVERYONE WHO WORKS AT TERRACARE IS GUILTY. GUILTY OF WHAT?

I'VE WATCHED COMPANIES LIKE TERRACARE PROFIT OFF THE DESTRUCTION OF THE EARTH LONG ENOUGH.

IT'S TIME EVERYONE HEARD MY MESSAGE LOUD AND CLEAR: POISON THE EARTH AND PAY.

IF YOU HAVE IT YOUR WAY, EVERYONE WILL BE TOO DEAD TO GET THE MESSAGE.

LET ME GO AND I'LL MAKE SURE MY MEN KILL YOU QUICKLY. YOU WON'T SUFFER.

SHUT UP!

UNNNH!

LISTEN, I'VE BEEN DOWN THIS ROAD. I STILL CATCH MYSELF WALKING IT.

BUT REVENGE EATS AWAY AT YOU--

YOU CLEARLY DON'T KNOW ME VERY WELL.

AND BESIDES... I AM NOT THE ONE LOOKING FOR REVENGE.

"THERE WERE RUMORS OF HONEY SHORTAGES IN SOUTH AFRICA.

"I FOUND THE SAME THING IN THE U.S., AUSTRALIA, CHINA..."

"I HEARD EVERY EXPLANATION IN THE BOOK.

"AIR POLLUTION. A FREAK CHANGE IN WEATHER. THE FRESH TAR RESURFACING THE ROADS. NEONICS IN PESTICIDES. CLIMATE CHANGE. PARASITES.

"THOSE WERE CAUSES OF BEE DEVASTATION IN THE PAST, BUT THIS WAS SOMETHING NEW WITH A SPECIFIC PATTERN.

"IT TOOK ME MONTHS TO REALIZE THE SOIL WAS THE CULPRIT.

"WELL, NOT THE SOIL EXACTLY, BUT THE FERTILIZER THAT WENT INTO IT.

"EACH LOCATION HAD A COMMON VARIABLE--THEY USED TERRACARE'S ECO-FRIENDLY, SUSTAINABLE FERTILIZER.

"SO THE CROPS WERE THRIVING, BUT THE BEES WERE DYING.

"I WENT STRAIGHT TO THE SOURCE TO STUDY THE CHEMICALS FIRSTHAND, AS A TERRACARE EMPLOYEE."

"I FOUND NOTHING WRONG IN THEIR FERTILIZER MIX. IT WAS ALL ON THE UP AND UP."

"BUT THEN I SAW BENEDICT HIDING A VIAL IN HIS VAULT. I SUSPECTED THAT WAS THE SECRET INGREDIENT KILLING THE BEES."

"I NEEDED TO STUDY IT, BUT I COULDN'T BLOW MY COVER STEALING IT."

"SO I CALLED IN AN OLD FAVOR."

"TODAY I HAVE PROOF. BENEDICT'S SECRET INGREDIENT WAS BASICALLY BEE POISON."

THE WORLD CAN'T SURVIVE WITHOUT THE BEES...
BUT THE WORLD WILL NEVER MISS A GREEDY CEO.

AHHHRGH!
